

Honored by Women

When a woman speaks of her silent sufferer she trusts you. Millions have bestowed this mark of confidence on Dr. R. V. Pierce, of Buffalo, N. Y. Everywhere there are women who bear witness to the wonder-working, curing-power of Dr. Pierce's Favorite Prescription—which saves the suffering sex from pain, and successfully grapples with woman's weaknesses and stubborn ills.

IT MAKES WEAK WOMEN STRONG IT MAKES SICK WOMEN WELL.

No woman's appeal was ever misdirected or her confidence misplaced when she wrote for advice, to the **WORLD'S DISPENSARY MEDICAL ASSOCIATION, Dr. R. V. Pierce, President, Buffalo, N. Y.**

Dr. Pierce's Pleasant Pellets induce mild natural bowel movement once a day.

NATURE TELLS YOU

As Many an Oregon City Reader Knows too Well.

When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Intrequent or too frequent action; Any urinary trouble tells of kidney ills. Doan's Kidney Pills cure all kidney ills.

A. J. Wood, of 250 Cottage St., Salem, Oregon, says: "Kidney and bladder trouble became so bad with me about two months ago that I was obliged to do something to ease the suffering. The trouble bothered me most in the morning for two or three hours after I arose. The too frequent action of the kidney secretions was also very annoying and embarrassing. I had known people who had received the best of results from Doan's Kidney Pills and I finally procured a box. Before I had used one box I was completely free from every symptom of the trouble. The kidneys were strengthened and my general health became better. I can hardly express in words the good opinion I have of Doan's Kidney Pills."

Plenty more proof like this from Oregon City people. Call at Huntley Bros' drug store and ask what their customers report. For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Whirlwind bargain event. Stock of men's clothing, furnishings, boots and shoes and hats at prices that stagger all competitors. Look for the green signs at J. Levitt's store on Main street.

LOGAN.

Jacob Gerber, Sr., who died at Sellwood on December 6th, lived for many years at Logan and was well known and respected by all. He was born in Switzerland, December 21st, 1830, and came here from Missouri in 1874. He was a member of the G. A. R. Three sons, living in Logan and vicinity, and his second wife, to whom he was married in 1891, survive him.

The basket social and entertainment given by the Grange young folks on the 11th, was a success in every way. Much credit is due Miss M. A. Gill and W. M. Kerchem for the successful outcome. The proceeds were \$48.

The W. O. W. will have another ball on Christmas night.

Edwin Gerber is the proud owner of a team of heavy young draft horses, weight 3100 pounds.

The Clear Creek Creamery Co. paid 35 cents per pound for butter fat in October and the big centralized company of Portland, the only competitor, paid 32 cents.

Do not forget the telephone stock holders' meeting on December 21st, at 10 o'clock a. m., for levying an assessment.

Hugh H. Kirchem has sold most of his interest in the farm to W. M. Kirchem and has bought the Reed farm, which joins the other place.

Edwin Kirchem is going to school in Oregon City.

Samuel Gerber is putting a concrete foundation under his house.

Frank S. Hutchins is building a large windmill tower.

Marked for Death.

"Three years ago I was marked for death. A grave-yard cough was tearing my lungs to pieces. Doctors failed to help me, and hope had fled, when my husband got Dr. King's New Discovery," says Mrs. A. O. Williams, of Bac, Ky. "The first dose helped me and improvement kept on until I had gained 55 pounds in weight and my health was fully restored." This medicine holds the world's healing record for coughs and colds and lung and throat diseases. It prevents pneumonia. Sold under guarantee by Jones Drug Co. 50c and \$1. Trial bottle free.

MARKS PRAIRIE.

Heavy rain the past few days has stopped plowing here for the winter. Oglesby Bros. will begin ditching and tilling for R. W. Zimmerman this week.

Miss Lellia Hardisty was being visited by her sister, Mrs. Frank Oglesby, the past week.

The dancing school at Oglesby's started last Friday night with a fair attendance. Don't forget, young people; every Friday night is your opportunity to learn to dance correctly. Mr. Zimmerman butchered hogs Saturday and made "copious doodles" of sausage.

Neddy Camp W. O. W. will soon give an oyster supper to a few invited friends.

John Wells hauled a load of oak wood to Canby Saturday.

The dance at Barlow was attended by several of our young people and they all report a fine time.

Our friend John Taylor is still mayor of Paradise City, near here.

A great deal of complaint is heard hereabouts at the way the Oregon City papers are received. They get here any old time; sometimes on Saturday and often on Monday, and a good many times not at all. Your correspondent will notify the postal authorities at Portland and see if there cannot be an improvement in this matter.

Mrs. Sam Herzog is very low and is expected to live but a short time.

Henry Kraus has been putting up a lot of wire fence along the new road the past week.

Wade Gribble has been clearing up some land, and we learn will put up a residence in the early spring.

George and Leland Hardisty were visitors on our prairie this week.

The social dance at Mr. Keilling's Saturday night was a success and the young people tripped the light fantastic till the "wee sma'" hours of the morning.

Medicine That Is Medicine.

"I have suffered a good deal with malaria and stomachic complaints, but I have now found a remedy that keeps me well, and that remedy is Electric Bitters; a medicine that is medicine for stomach and liver troubles and for run-down conditions," says W. C. Kessler, of Halliday, Ark. Electric Bitters purify and enrich the blood, tone up the nerves, and impart vigor and energy to the weak. Your money will be refunded if it fails to help you. 50c at Jones Drug Co.'s drug store.

E. L. Wyland has his new residence completed.

Adolph Hugel, an energetic young bachelor of this section, wishes to announce to all whom it may concern that his bachelor days have ceased to exist, as he made a flying trip to Russellville one day last week and returned with a pretty young wife. backing in the old fashioned way. J. V. Green, a well known resident of this section, intends to prospect for copper on his place soon.

Some of the famous coyote hunters from Marquam will do well to teach their dogs the difference between a coyote and a deer.

Mr. and Mrs. Ray Wyland called on Mr. and Mrs. Ben Wade last Sunday.

E. P. McFarlane, a thrifty young bachelor of this section, is busy building a new house. This adds much to the beauty of his premises and gives evidence that he is prospering.

Bert Wade, who has been spending the summer in Eugene, returned home a few days ago and announces to his friends that the hills are good enough for him.

Miss Dora Wyland was visiting her sister near Scott's Mills one day last week.

Therefore, while our lines are somewhat broken, we still have more stock than the ordinary store has at the beginning. Take a look in our big windows and if you don't see what you want there you will find it inside.
