What Mrs. Kate Taylor has to Say About the World's Greatest purely

Health and Accident Insurance Co.

Eugene, Or., Sept. 25, 1908.
Continental Casualty Co.,
Portland, Oregon.
Dear Sirs:—

I wish to thank you and the Continental Casualty Company for the $400.00 draft which you gave me today, which covers in full the claim for the accidental drowning of my husband, Arthur E. Taylor, in the McKenzie river recently. I have received most prompt and liberal treatment from your company; my husband had only carried his policy with you for about forty days, and had only paid his first month's premium of $1.25 a short time before his death occurred. You have given this claim just as prompt attention as though my husband had been a policy holder with you for many years, instead of so few days. I am indeed surprised to receive my check for $400.00 today, as I only sent you the final proof papers last Saturday night, Sept. 19th.

I certainly can and do heartily recommend the Continental Casualty Company, and you as their district manager, to everyone who needs accident and health insurance. Your company justly deserves theexcellent reputation they have for prompt and liberal treatment to all its policy holders and I sincerely hope that you will continue to have success in your work in securing new policy holders in this territory and elsewhere.

Again thanking you and your company, I beg to remain,

Very sincerely yours,
MRS. KATE TAYLOR,
Eugene, Oregon.

Sigmund Ernest represents this company in Oregon City, and will remain here until the first of the year. He is well known to the people of this city and will be pleased to write policies for any and all and explain the benefits to be derived from the same.
