What Mrs. Kate Taylor has to Say About the World's Greatest purely

Health and Accident Insurance Co.

Eugene, Or., Sept. 25, 1908.
Continental Casualty Co.,
Portland, Oregon.

Dear Sirs:—
I wish to thank you and the Continental Casualty Company for the \$400.00 draft which you gave me today, which covers in full the claim for the accidental drowning of my husband, Arthur E. Taylor, in the McKenzie river recently. I have received most prompt and liberal treatment from your company; my husband had only carried his policy with you for about forty days, and had only paid his first month's premium of \$1.25 a short time before his death occurred. You have given this claim just as prompt attention as though my husband had been a policy holder with you for many years, instead of so few days. I am indeed surprised to receive my check for \$400.00 today, as I only sent you the final proof papers last Saturday night, Sept. 15th.
I certainly can and do heartily recommend the Continental Casualty Company, and you as their district manager, to everyone who needs accident and health insurance. Your company justly deserves the excellent reputation they have for prompt and liberal treatment to all its policy holders and I sincerely hope that you will continue to have success in your work in securing new policy holders in this territory and elsewhere.
Again thanking you and your company, I beg to remain,
Very sincerely yours,
MRS. KATE TAYLOR,
Eugene, Oregon.

Sigmund Ernest represents this company in Oregon City, and will remain here until the first of the year. He is well known to the people of this city and will be pleased to write policies for any and all and explain the benefits to be derived from the same.

MILLIONS OF LIVES LOST

The Awful Toll Collected by Consumption

If people could only understand that catarrh is an internal scourge—that nothing applied externally does much good—they would not need to be warned so often about this fatal disease, which, when neglected, invariably ends up in consumption, at the cost of millions of lives every year. Yet catarrh is easily cured if the right treatment is employed. Catarrh is caused by germs in the blood which circulate throughout the entire system. External remedies give but temporary relief. Although the effects are often seen in the form of pimples, rash, eczema or dry scaly skin, the trouble is internal and never can be cured by external remedies.

The only way to cure catarrh is by employing a medicine which is absorbed and carried by the blood to all parts of the system, so that the mucous membrane or internal lining of the body is thoroughly medicated, soothed, disinfected of germ matter, and the soreness healed.

We have a remedy prepared from the prescription of a physician who for thirty years studied and made catarrh a specialty and whose record of success was a cure in every case when the treatment was followed as prescribed. That remedy is Rexall Macu-Tone. We are so positive that it will cure catarrh in all its various forms, whether acute or chronic, that we promise to return every penny paid us for the medicine in every case where it fails to cure or for any reason does not satisfy the user.

We want you to try Rexall Macu-Tone on our recommendation and guarantee. We are right here where you live, and you do not contract any obligation or risk when you try Rexall Macu-Tone on our guarantee. We have Rexall Macu-Tone in two sizes. The prices are 50c and \$1. Very often the 50c size effects a cure. Of course, in chronic cases a longer treatment is necessary. The average in such instances is three \$1 bottles. Huntley Bros. Co., Main Street.

Fifty school children from Chicago are to be brought to the Alaska-Yukon-Pacific Exposition next year if the plan suggested by Secretary Tom Richardson of the Oregon Development League is carried out. They will also visit Portland and other cities in this state and when they return home will write letters telling of the trip and what they saw in the Northwest. Exhibits of the woods of this section, with industrial and scenic pictures, have been used in the Chicago schools, made up into sets and circulated from one school to another, in the teaching of geography.

COMFORTING WORDS

Many an Oregon City Household Will Find Them So

To have the pains and aches of a bad back removed, to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Oregon City readers. William McLarty, 16th and Washington Sts., Oregon City, Ore., says: "I had a persistent backache and pain through my joints that never seemed to let up. The pains bothered me mostly at night and it was impossible for me to find a comfortable position. I did not get my proper rest and consequently in the morning I had but little energy. Seeing Doan's Kidney Pills advertised I procured a box at Huntley Bros. drug store and when I had used half the contents my condition was greatly improved. I used the entire box to make sure of the beneficial effects. Kidney trouble has now entirely disappeared from my system and I give Doan's Kidney Pills my highest recommendation. For sale by all dealers. Price 50 cents. Foster-McIlburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

C. A. Kinne, secretary of the El Paso, Texas, chamber of commerce, is making a tour of the coast and is spending considerable time in Oregon communities studying the publicity methods of the various commercial bodies. Mr. Kinne's organization is building a \$60,000 building of its own, and is determined that the work it undertakes shall be effective.

Signs of Oregon's Growth

The Christmas issue of the Silverton-Appel tells a very interesting story, illustrated with scenes, of the remarkable growth of Silverton and vicinity during the last few years.

The Grants Pass Fruit Exchange has been a great benefit to the growers of that vicinity, and has just finished a very successful season. The fruit raised in the Rogue River valley was shipped through this medium in refrigerator cars to eastern cities where fruit was in demand.

In spite of this being "hard times" year, over 95 per cent of the taxes of Walla Walla county have been paid.

The new Elks' Temple being erected at Albany will soon be completed, and when finished will be one of the finest structures in that progressive little city.

Another school is to be erected at Forest Grove the present building being crowded.

The big poultry show of the Lane County Poultry Association recently held in Eugene, was a success in every particular.

Firwood, a small town in this county, has organized a progressive association, and from the manner in which the members are working there is every reason to believe that the thriving little community will be greatly benefited by the organization.

A citizen of Walla Walla county makes the startling assertion that there are more bachelors in that county than in any other county on earth.

Dave Eldor, the Southern Oregon sheep king, is preparing to experiment for artesian water. If his plans are successful, a great question will be settled for the stockmen of this section.

At a recent meeting of the city council of Eugene, the tax levy for 1903 was fixed at ten mills.

Oregon City people will be glad to know that W. L. Blitch has taken the agency for the famous Ostermoot mattress.

SMASHES GLASS—CUTS ARM

Man Sends His Fist Through Saloon Door And Sheds Blood as Result

James McKee, an employee of a shoe store in the neighborhood of this city, received several bad cuts on the arm on the day after Christmas. McKee had been bowling upon the day previous and was still in a lightheaded condition, when he suddenly remembered that he had a grudge against a glass door in one of the downtown saloons. Bracing up to the offending piece of glass, he let drive at it with his mighty right arm, shattering it into countless pieces. To his dismay, he found that although he was the victor, he had not escaped unharmed from the fray, for his arm was severely cut in several places. As soon as possible he had the injured member dressed by Dr. Strickland.

REDLAND.

Our burg is on the boom and everybody appears to be happy. At the recent road meeting a two-mill tax was levied in Road District No. 13, to improve the broad that is traveled by mail carriers on Oregon City Route No. 2 and Springwater Route No. 1 and a few other minor roads that needed a little repair. Sixteen voted for a tax, while there were but four dissenting. The meeting went on record as favoring a four-mill levy for the general road fund in the county. G. O. Armstrong and Wm. Stron were appointed from this district to meet with the county court the 5th of January, 1903, for the purpose of deciding on the general road fund levy.

A quiet wedding took place at the residence of Mr. and Mrs. Kiteman when their daughter Carmen was wedded to Clarence Fairbrother. We wish them much joy and happiness. Mr. and Mrs. Fairbrother will reside at Canemah.

E. H. Morgan is trying to sell his team, harness and wagon. He intends to go back to the mines. J. T. Fallon has just finished butchering 17 head of hogs, averaging about 240 pounds, for which he is receiving 7 1/2 cents per pound. He killed one porker that dressed 495 pounds.

G. Leusch is delivering telephone poles for the Clear Creek Mutual Telephone Co. They intend to rebuild some old lines and put on two new divisions soon.

W. Barrett is in this burg buying cows. Geo. Hindmuth and Julius Spers are home from O. A. C. for the holidays.

The Clear Creek Lumber Company intend starting up their mill providing they can get their logs down.

Gravel Bros are going to start up Strom's sawmill and saw ties. Miss Nellie Simpson and C. Cain of Lents were married at the residence of Mr. and Mrs. Simpson last week Thursday.

Mr. Cresswell and Miss Mildred are booked for a wedding. New Year's at the bride's home. Mr. Cresswell is a farmer from the Calgary district, where they will make their future home.

CLEAR CREEK.

Merry Xmas is a thing of the past. Old Santa has come and gone with his general merry making, gladdening the hearts of many a child. The dance given by the Woodmen on Christmas night at Logan was a decided success, there being a good attendance in spite of the rough, stormy weather.

A number of sick horses are reported, among them being one fine team belonging to Mr. Thompson, which are affected with stiffs or something of that sort. Ed Ficken also has a sick horse.

The cold frozen weather has caused quite a delay in the farm work in the way of plowing.

Thus, Jubb seems to be progressing about as rapidly as anyone in spite of the fact that he spends a greater part of his time with his paint bucket and brushes. He farms quite extensively on a small scale, tending over two hundred acres. He has rented the farms of J. A. Randolph and John Ficken.

Jas. Saver is progressing fairly well with his saw mill. He is putting out some fine lumber, but is some trouble about getting a satisfactory crew of men. New Year's eve, when P. G. Jubb takes charge of the crew in the woods, it is expected that things will proceed more rapidly. The Xmas tree at Springwater was quite a success. The tree was beautifully decorated and many beautiful presents were received. The program was both interesting and instructive.

SHUBEL.

Here's a happy new year to you all. The infant sons of Mr. and Mrs. D. F. Moeck and Mr. and Mrs. Olaf Oas of Subard were christened at the Evangelical church last Sunday.

Henry Glinther has gone to Little, Wash., where he will work in a blacksmith shop with R. Schubel.

Division 5 of the Telephone Association had a very successful Saturday evening and elected officers for the next year. William Mueller was accepted as a member of the division.

William Guenther, Jr., of Ritzville, Washington, is visiting with his parents for a few weeks.

Geo. Kirkman of Santa Clara surely surprised the children at the Christmas tree entertainment at the school house Thursday afternoon. A good program was rendered by the children.

The Christmas tree and entertainment given by the Congregational church was a grand success.

Mrs. Nora Knool of Dallas has been visiting her mother, Mrs. George Webster, for the past two weeks. Miss Bessie Clough of Glendale has been visiting Miss Opal Langenberg the past few days.

Victor Wickland has returned home to spend the holidays.

Roy Latham left yesterday for Sheridan, where he is employed.

NEW TODAY

WANTED—GOOD MAN IN EVERY locality—good pay, experience unnecessary, to represent large real estate organization. Write today B. F. Loos Co., Des Moines, Iowa. If
