The health authorities of Chicago are endeavoring to make the railroads clear their lines within the city. It is argued that 12,000 pounds of soot per acre in a year are deposited in some portions of the city by the soft coal used. The purification of the air and increase in sunlight secured by electrification would materially lessen the amount of tuberculosis.

## THEY INJURE CHILDREN

### Ordinary Cathartics and Pills and Harsh Physic Cause Distressing Complaints

You cannot be over careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given. Ordinary pills, cathartics and purgatives are too apt to do more harm than good. They cause griping, nausea and other distressing after-effects that are frequently health destroying and a life-lasting annoyance.

We personally recommend and guarantee **RECALL ORDERLIES** as the safest and most dependable remedy for constipation and associated bowel disorders. We have such absolute faith in the supreme virtues of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Recall Orderlies contain an entirely new ingredient which is odorless, tasteless and colorless. It embraces all the best qualities of the soothing, laxative, strengthening and healing remedial active principles of the best known intestinal regulator tonics. Recall Orderlies are extremely pleasant to take, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects. They have a very natural action upon the glands and organs with which they come in contact, act as a positive and regulative tonic upon the relax, dry muscular coat of the bowel, remove irritation and dryness and soreness, overcome weakness, and tone and strengthen the nerves and muscles, restore the bowels and associated organs to more vigorous and healthy activity.

Recall Orderlies not only cure constipation, but they remove the cause of this ailment. They also overcome the necessity of constantly taking laxatives to keep the bowels in normal condition.

There is really no similar medicine so good as Recall Orderlies, especially for children, aged or delicate persons. They are prepared in tablet form and in two sizes of packages, 12 tablets 10c, and 36 tablets 25c. Huntley Bros. Co., Main street, Oregon City.
