

# TAFT'S CABINET ABOUT COMPLETED

### SECRETARY OF WAR YET TO BE SELECTED.

### TWO MEMBERS HOLD OVER

### President-elect Acts Wholly Upon His Own Initiative in Making Selections.

Washington, Feb. 15.—As soon as President-elect Taft finds a suitable man for secretary of war his cabinet will be complete, that is, tentatively complete. It will be subject to change any time before the 4th of March, if conditions arise which, in the opinion of Mr. Taft, justify modification.

But it can be said on the authority of one of Mr. Taft's closest advisers that eight of the nine cabinet officers have been conditionally chosen, and seven out of the eight have signified their willingness to enter the cabinet if the formal tender is made them. They are:

- Secretary of state—Philander C. Knox, Pennsylvania.
- Secretary of treasury—George M. Reynolds, Illinois.
- Attorney general—George W. Wickersham, New York.

PHILANDER C. KNOX.

- Postmaster-general—Frank H. Hitchcock, Massachusetts.
- Secretary of navy—George von L. Meyer, Massachusetts.
- Secretary of interior—Richard A. Ballinger, Washington.
- Secretary of agriculture—James Wilson, Iowa.
- Secretary of commerce and labor—Charles Nagel, Missouri.

**Two Members Retained.**  
It will be observed that Mr. Taft will retain in his cabinet two members of the present Roosevelt cabinet. Various reasons operated to bring about the retention of George von L. Meyer and James Wilson. In making up his cabinet, Mr. Taft has acted entirely on his own responsibility, and without the advice of the present administration. He has consulted freely with Senator Knox and Chairman Hitchcock, it is true, but the selections are his own.

### WHEAT MEN FORM COMBINE

Nebraska Farmers' Association to Contract Prices for Winter. Hastings, Neb., Feb. 15.—Organization of the Winter Wheatgrowers' Association of Nebraska, Kansas and Oklahoma was completed Saturday at the close of a three days' mass meeting of farmers of the three states. The purpose is to control the price of winter wheat. About 200 farmers signed a pledge agreeing not to sell their next year's crop for less than the price to be fixed at a delegate convention, except after 30 days' notice to the directors and failure to get the agreed price. A fund of \$500 was raised to push the work of organization.

### Train Robbers Secure \$35,000.

Denver, Feb. 15.—That the hold-up of the west-bound Denver & Rio Grande passenger train, near Denver, at 3:15 Saturday morning, was the work of three instead of two robbers and that the robbery of the mailcar gave them a loot of possibly \$35,000, are indicated by investigation of the railroad and police officials. So far no tangible clue to the identity or whereabouts of the robbers has been found, but it seems probable that the men came to Denver and are now hiding in this city.

### GAYETY IN NEW ORLEANS

World Famous Mardi Gras Starts Thursday Night. New Orleans, Feb. 18.—With the ball of Momus tonight the world famous annual carnival of this city will begin. For six days the city will give itself up to gayety until the tolling of the church bells on the midnight of Shrove Tuesday ends the revelry. Next Saturday, Sunday and Monday the automobile races will hold the attention of the sport loving among the visitors. A Marathon race and other events are also on the athletic program.

### Tracks Murderers Eight Months.

Manila, Feb. 15.—After months of tracking through mountains and dense forests in the interior of the island of Negros, a force of constabulary has finally run down and captured two of the murderers of H. D. Everett, assistant director of the bureau of forestry of the Philippines, and T. R. Wakeley, another government forester, who were treacherously killed by a band of natives while surveying and mapping the island last June.

### DEATH OF G. W. VETETO

#### Well-Known New Era Man Passed Away Thursday Morning

G. W. Veteto died at the residence of his son, Elmer F. Veteto, in New Era Thursday morning after an illness of more than three months. Mr. Veteto was born February 13, 1831, in DeWitt county, Ill. In 1855 he moved to Kansas and in 1876 to this state, and has resided in this county since that time. He is survived by four children, Mrs. Sarah M. Kennarr of Neesho Falls, Kansas, R. O. Veteto of Canby, and Elmer F. Veteto and Mrs. Eva L. Critser, both of New Era, Ore. The funeral will be held at 10 o'clock Saturday morning from the residence. At the grave the services will be under the auspices of Warner Grange, of which body he was a prominent member.

### RAILROAD FOR OREGON

#### Opening Up of Central Oregon Authorized by Harriman.

Portland, Or., Feb. 17.—Harriman will enter Central Oregon by the Deschutes route. The decision to invade the interior by this survey has been made by the heads of the system and authority to construct the road has been given General Manager O'Brien.

It is estimated by Mr. O'Brien that from a year to a year and half will be required to construct the road. The distance is 150 miles from Deschutes, at the mouth of the river, to Redmond, in the heart of the irrigation district around Bend. The estimated cost of the road is \$4,773,000.

Money loaned, abstracts made, titles certified. Lowest rates. C. H. Dye, 301 Main St.

# Saturday Bargains

## AT THE Parkplace Cash Store Every Saturday is Bargain Day!

There will be on sale Staple goods of good quality; the price of which will make them go. I have too much stock on hand and am reducing it in this way. Every Saturday something new on sale at prices that are less than cost in most bargains. **THE REASON?** Well, I am in debt and paying interest. To get money out of my **OverLock** and stop interest **pays**. Then I have to pay **taxes** on more stock than I actually own. So by reducing my stock to a place where I can be out of debt, and only pay taxes on stock actually owned saves taxes and interest and I shall have the pleasant dreams that only the man who owes no one can have.
