

Strong Healthy Women

If a woman is strong and healthy in a womanly way, motherhood means to her but little suffering. The trouble lies in the fact that the many women suffer from weakness and disease of the distinctly feminine organism and are suited for motherhood. This can be remedied.

Dr. Pierce's Favorite Prescription

Cures the weaknesses and disorders of women. It acts directly on the delicate and important organs concerned in motherhood, making them healthy, strong, vigorous, virile and elastic.

"Favorite Prescription" banishes the indispositions of the period of expectancy and makes baby's advent easy and almost painless. It quickens and vitalizes the feminine organs, and insures a healthy and robust baby. Thousands of women have testified to its marvelous merits.

It makes Weak Women Strong. It makes Sick Women Well. Honest druggists do not offer substitutes, and urge them upon you as "just as good." Accept no secret nostrum in place of this non-secret remedy. It contains not a drop of alcohol and not a grain of habit-forming or injurious drugs. It is a pure glyceric extract of healing, native American roots.

NEWS OF THE COUNTY

PARKPLACE

(Too late for last issue.)

The New Iowa Cream SEPARATOR

It is positively the closest skimmer made and gets all the butter fat. Run the skim milk, skimmed by any other cream separator, through a New Iowa and it will extract cream which the other separator could not get. It may be ever so little, but it will be enough to prove that the New Iowa IS the closest skimmer on earth—cold as well as warm milk. Another thing to take into consideration in buying cream separators is the height of the supply can. The New Iowa's supply can is waist low, just a comfortable height and an easy lift. The crank is also placed at a most convenient height and the handle can be adjusted to suit the operator. The New Iowa is easily cleaned and requires very little attention. Leave it to your wife and she will choose a New Iowa every time because she can see that it is the machine which will get the most out of the milk with the least work. Molalla.
Meadowbrook correspondent has lost a "one horse" cow catcher, says he, "somewhere between Mulino and Molalla," and he "don't know where to find it." Surely he has got "off the track" and begun wandering in the wilderness. Take courage brother, "It is an evil wind that blows no good." Station yourself on a favorable lookout on some familiar cow-trail leading northward from Meadowbrook, take your bearings with a grain of salt at hand, and watch "and it will come home," etc.
Huntley Bros. Co. is having an addition built on its drug store here for a doctor's office, which Dr. Todd will occupy. The doctor has already moved here and will immediately commence the practice of medicine. Dr. Todd was raised near here and after an absence of many years has returned, like all the wandering sons, finding no place on the broad earth half so beautiful to live in as Molalla.
Robbins Bros. Fred Watts and Carry Herman have each placed an order for a \$1000 "Split-wagon," which means more good roads or lots of bumps over bad ones. We shall eagerly watch the outcome of this introduction of this carriage style of the auto-about; if it gets there and back again this season and next, it will have come to stay.
Mr. and Mrs. Cordill went over to Stone last week to attend the marriage of Mrs. Cordill's sister. Shortly after arriving their little two-year-old son took severely ill and the doctor says they will be detained there some ten days before the little fellow can be brought home.
We hear of people, just over the river, having their pumps frozen up a few days ago.

Sunday School Convention.
The Sunday school convention, for South Clackamas District, will be held at Molalla M. E. Church on May 8th, 1909. Rev. Phipps, of Portland, State Secretary, will be present and have charge of the program. All the schools of the district are expected to take part, and it is hoped there will be a large attendance.
