GREAT DISCOVERY Certain Ingredients That Really Grow Hair When Properly Combined

Resorcin is one of the most effective germ destroyers ever discovered by science, and in connection with Beta Napthol, which is both germicidal and antiseptic, a combination is formed which destroys the germs which rob the hair of its natural nourishment, and also creates a clean, healthy condition of the scalp, which prevents the development of new germs.

Pilocarpin, although not a coloring matter or dye, is a well known in-gredient for restoring the hair ot its natural color, when the loss of hair has been caused by a disease of the scalp. These ingredients in proper combi-
