Champion Binders have many features, among these: Folding reel, folding dividers and inclined Sector Standards. The Champion Binder will handle all sorts of grain and will do it well no matter what the conditions may be.

The strength of a child.

It is surprising to find how few parents know the great strength giving qualities of good oatmeal. Most of them think of it as a food for the sturdy Scotch or the brawny Englishman, and overlook its value as a food for children. Every now and then a mother will take to feeding her children on Quaker Oats and will be astonished at their improvement in strength and vigor. Of course, she tells her friends, and they prove it for themselves, but every mother in the country should see that her children are strong and vigorous. Plenty of Quaker Oats, eaten often, will do it.

Put up in two sizes, the regular package 10c, and the large family size 25c, which is more convenient for those who do not live in town.

Don't miss a day; eat Quaker Oats every morning for breakfast.

To filter the blood is the kidney's duty.

When they fail to do this the kidneys are sick.

Back ache and many kidney ills follow.

Urinary trouble, diabetes, Doan's Kidney Pills cure them all.

H. R. McCarver, living at 286 Holiday Street, Portland, Oregon, says, "Some years ago Doan's Kidney Pills proved a great benefit to me and I publicly recommend them. Since that time I have advised many of my fellow workers to give them a trial and the results of their use has been satisfactory in every instance. I believe kidney trouble in my case was caused by a cold I contracted. I had backaches and other marked symptoms of disordered kidneys. I always felt somewhat skeptical regarding proprietary medicines but somehow the claims made for Doan's Kidney Pills impressed me in favor of this remedy and I began its use. Relief soon followed and I have had no serious return of kidney complaint since."

Plenty more proof like this from Oregon City people. Call at Huntley Bros. drug store and ask them what customers report.

For sale by all dealers. Price 50 cents. Mitchell-Milburn Co., Buffalo, New York, Sole agents for the United States.

Remember the name—Doan's—and take no other.

A GREAT DISCOVERY

Certain Ingredients That Really Grow Hair When Properly Combined

Resorcin is one of the most effective germ destroyers ever discovered by science, and in connection with Beta Naphthol, which is both germicidal and antiseptic, a combination is formed which destroys the germs which rob the hair of its natural nourishment, and also creates a clean, healthy condition of the scalp, which prevents the development of new germs.
