CASH STOLEN BY EMPLOYEE

Los Angeles Robbery Reveals Serious Defects in System. Los Angeles, June 14.—Theft by postoffice employes and not an error in routing was responsible for the loss of registered packages containing \$30,000 in currency mailed by the First National Bank of Los Angeles to the Bank of Bisbee, Ariz., last week. To a sudden uproar in the postoffice following the discovery is attributed the failure to apprehend the thief, who made away with two packages containing \$15,000. This alarm is believed to be responsible for the recovery of the other two packages, which were found in the registry division of the main postoffice.

CHINESE COOLIES FOUND

Smuggled Silk and Cigars Also Discovered in Limer Minnesota. Seattle, June 14.—Immigration officials, after picking up on the wharf a stray Chinese, who admitted he came over as a stowaway on the Great Northern liner Minnesota, searched the vessel and discovered nine more smuggled coolies and a quantity of silk and cigars. Inspector Keagey, who is a heavy man, stepped into the sail locker of the steamer and fell 20 feet through a hole in the floor, alighting squarely on top of nine naked Chinamen. Further investigation brought to light several leather sacks, resembling government mail pouches filled with raw silk and a number of boxes of Manila cigars. The bags of silk are supposed to have been taken aboard with the mail sacks.

Release School Lands. Washington, June 14.—Representative Hager, of Idaho, has introduced a bill permitting Western states to make immediate selection of school lands in satisfaction of grants from the federal government inside forest reserves. LAKE WHERE TOWN STOOD

Great Body of Water Forming as Result of Roosevelt Slide. Spokane, Wash., June 14.—Where the town of Roosevelt, Idaho, once stood, posterity will see a large lake, formed by the damming of Mule Creek at its confluence with Monumental Creek, the result of the destructive work of the massive slide of talc and earth, rock and timber that wiped out building sites and property on May 31. Between 15 and 20 feet of water covers the flat where the town once stood. Houses in the mining village are being floated near the hillside to clear the old channel of debris.

Women as Well as Men are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased. Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling all about Swamp-Root, the name of Swamp-Root, including many of the thousands of testimonial letters received from sufferers who found Swamp-Root to be just the remedy needed. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

THE CALIFORNIA BUILDING AT A.-Y.-P. EXPOSITION, SEATTLE. California's handsome building is one of the very striking structures on the grounds of the Alaska-Yukon-Pacific Exposition. It is in the old Spanish Mission type of architecture encountered so frequently in Southern California, and the detail of its front has attracted the attention of artists and architects from all over the country. In the building every county of the golden state will have an exhibit. California, from Sitka to San Diego, has shown as much enthusiasm for the Exposition as has Washington itself.

A Thrilling Rescue. How Bert R. Lean, of Cheney, Wash. was saved from a frightful death is a story to thrill the world. "A hard cold," he writes, "brought on a desperate lung trouble that baffled an expert doctor here. Then I paid \$10 to \$15 a visit to a lung specialist in Spokane, who did not help me. Then I went to California, but without benefit. At last I used Dr. King's New Discovery, which completely cured me and now I am as well as ever." Could Not Be Better.

Those attractive women who are lovely in face, form and temper are the envy of many, who might be like them. A weak sickly woman will be nervous and irritable. Constipation or Kidney poisons show in pimples, blotches, skin eruptions and wretched complexion. For such Electric Bitters work wonders. They regulate the stomach, liver and kidneys, purify the blood; give strong nerves, bright eyes, pure health, smooth, velvety skin, lovely complexion. Many charming women owe their health and beauty to them. 50 cents at Jones Drug Company.
