A Bonafide Money-Saving Event!

10 DAYS UNLOADING SALE

OF SEASONABLE MERCHANDISE, FOR YOU TO SELECT FROM---EVERY DEPARTMENT IS REPRESENTED IN THIS EVENT.

Money cheerfully Refunded if Purchases are Not to your Satisfaction

What I Claim!

Opportunities like this Only Come Once a Year

After a busy season like the one just past an enormous accumulation of small lots is the inevitable result in a store like this. No progressive store of the day wants to carry to another season goods made for present selling. The method that prevails in most establishments, however is to make gradual reductions now and then during July---waiting until the end of the season to make substantial final price cuts. It is different here! Our earliest reductions are radical; in some instances almost startling. We are not altogether selfish in adopting this method; while it serves to clear our stocks with greater promptness than any other way would afford, it also enables you to purchase goods and garments for a mere fraction of value in time to have them render you good service before the season is over.

Come to this store SATURDAY, JULY 24th, make a tour of inspection, and we are sure that your highest hopes for ECONOMICAL Investments will be more than satisfied.
