### OREGON STATE NEWS

#### Interesting Happenings From All Parts of the State.

**Experiment Farm at Moro.**  
Corvallis—The Eastern Oregon Dry Farm Experiment Station to be conducted in co-operation with the federal government, under an act of the late legislature, has been located at Moro, Sherman county, by the board of regents of the Oregon Agricultural College. The act of locating the station was perfunctory so far as the board was concerned as the bureau of plant industry at Washington refused to co-operate unless the station should be located at Moro.

**President Kerr has been instructed to establish at the college a seed testing laboratory to be conducted in co-operation with the bureau of plant industry of the United States. The purpose of the laboratory is to save the large waste due to the use of imperfect seeds and to secure larger crop yields through the use of seeds of demonstrated germinating value.**

**Cartload of Cherries for New York.**  
Union—Last week a cartload of Royal Ann cherries was shipped to New York by fruitgrowers at Cove. These cherries were shipped to Union in bulk, where they underwent a preserving process, which also bleached them white. After being bleached and preserved the cherries were packed in whiskey barrels and forwarded to the eastern market. These cherries will be put through another process which colors them red and will be sold as cocktail cherries.

**Steals Marriage Proof.**  
Portland—J. B. Edelman, formerly of Newport, Or., and Mrs. Sarah Wilhelm, of Salem, Or., were arrested Saturday night in Washougal, Wash. They were taken to Vancouver and lodged in jail on a statutory charge. Mrs. Edelman signed the complaint.

**Edelman had stolen the marriage certificate from his wife, and it was found in his pocket. Edelman and his wife were married in Vancouver, Wash., November, 1907. Edelman resisted arrest and had to be handcuffed.**

**Build Railroad to Portland.**  
The Dalles—Johnson Porter, of Porter Bros., contractors and owners of record of the Oregon Trunk Line, which is making a spectacular contest against the Harriman system for control of the Deschutes canyon in central Oregon, has practically admitted that his road would be extended to Portland from this city.

**Mr. Porter denied that Porter Bros. are "bluffing," and declared that unlimited capital is back of them.**

**State School Lands Valuable.**  
Salem—Although Oregon's school land wealth, up to a comparatively recent period has been distributed lavishly, largely among speculators and large landowners, the state still

**SIGNALS OF DISTRESS.**  
Oregon City People Should Know How to Read and Heed Them.

Sick kidneys give many signals of distress. The secretions are dark, contain a sediment.

Passages are frequent, scanty, painful. Headache is constant day and night. Headaches and dizzy spells are frequent.

The weakened kidneys need quick help. Don't delay! Use a special kidney remedy.

Doan's Kidney Pills cure sick kidneys, backache and urinary disorders.

Mrs. A. Canavan, 330 Lincoln St., Portland, Oregon, says: "In 1903 I used Doan's Kidney Pills with such beneficial results that I gave them my hearty endorsement. I still think highly of them and advise their use whenever I have an opportunity. For two or three years kidney complaint had clung to me, making my back so lame that I was unable to attend to my household duties. Dizzy spells were frequent and I was also annoyed by headache. The use of home remedies and more than one preparation, guaranteed to be a sure cure for such troubles, failed to give me relief. Finally I learned of Doan's Kidney Pills and procured a box. I used them according to directions and they gave me more relief than all the other remedies I had taken combined."

Plenty more proof like this from Oregon City people. Call at Muntley Bros' drug store and ask what their customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole Agents for the United States.

Remember the name—Doan's—and take no other.

**KING WOULD STOP STRIKE**  
Printers Go Out and Stockholm Streetcars to Be Tied Up.

Stockholm, Aug. 10.—The tie-up of the business of the country as a result of the strike is so serious that King Gustav intervened in an endeavor to secure a compromise. The King sent a message to the parties at conflict, exhorting them to agree at the earliest possible moment and advising arbitration.

The printers are out and the National Labor Bureau has issued a proclamation that every drag wagon whose driver does not wear a union badge will be stopped by strikers. The union further declares it will try to frustrate the attempt of the Stockholm Streetcar Company to start its cars on the surface lines.

The strikers daily are receiving large contributions from Denmark, Norway, Finland, Germany, Roumania and Bulgaria.

**Allge Court Decisions Were Bought.**  
Seattle, Aug. 10.—P. F. Morrow testified before the legislative investigating committee that he had seen money paid to an emissary who was to "fix" copy of a supreme court judge; saw a typewritten copy of an alleged decision before it had been rendered by the supreme court, embodying a precedent by which a later case could be easily "fixed;" produced original copies of papers showing "agreements" covering the division of certain property which was to be won by "fixing" the supreme court and gave the names of other witnesses to these transactions, besides making public the identity of the persons who were the alleged "go-betweens."
