Save Your Eyes

Don't put off wearing glasses till your sight is nearly goue. Begin now and avert trouble later. Our expert optician will fit you with eye glasses that will make you see better and look better for from \$1.00 up. Examination Free.

A Watch Repairing Tip

It's surprising how many fine watches and pieces of jewelry are ruined each year by being placed in the hands of poor and inexperienced workmen for repairs. A slight oversight on their part will cause endless trouble. Leave your repairing in our hands, and you will get all that long experience and honesty can give.
