ALBANY PREPARES FOR APPLE SHOW

Prominent Speakers Secured For Three Days' Program

Albany, Oregon, Oct. 7. (Special)— Preparations are well under way for the forthcoming Apple Fair to be held in this city October 27-28-29. The gymnasium of the Alco Club has been secured for the use of the Apple Fair committee, and therein all fruit and flower displays will be made and the lectures and literary and musical ex-ercises of the fair be held. The room is an ideal one, situated in the central part of the city, and will afford every convenience for the occasion. The directors of the Alco Club courteously voted at their last meeting to issue special eards to visitors from out of town taking part in the prorgam so that during their stay in Albany they will have the freedom of the club

In addition to the display of apples which now promises to be of a very high class, there will be given probchrysauthemums ever shown in the central Willamette valley. Devotees of this queenly flower in Albany are coaxing their finest buds for display
