

### Woman's Power Over Man

Woman's most glorious endowment is the power to awaken and hold the pure and honest love of a worthy man. When she loses it and still loves on, no one in the wide world can know the heart agony she endures. The woman who suffers from weakness and derangement of her special womanly organism soon loses the power to sway the heart of a man. Her general health suffers and she loses her good looks, her attractiveness, her smile, and her power and prestige as a woman. Dr. R. V. Pierce, of Buffalo, N. Y., with the assistance of his staff of able physicians, has prescribed for and cured many thousands of women. He has devised a successful remedy for woman's ailments. It is known as Dr. Pierce's Favorite Prescription. It is a positive specific for the weaknesses and disorders peculiar to women. It cures, regulates, strengthens and heals. Medicine dealers sell it. No honest dealer will advise you to accept a substitute in order to make a little larger profit.

**IT MAKES WEAK WOMEN STRONG. SICK WOMEN WELL.**

### MOLALLA

A dismal fog rain visited this vicinity Saturday, Sunday being a most beautiful day. Monday morning occurred another freeze up.

Write it 1910.

Molalla school had an Xmas tree and beautiful program Thursday night in the M. E. church. The exercises were all very good.

The Christian church has Sunday school every Sunday. W. T. Echer is superintendent. Evangelist Wood will preach the second Sunday in January.

Next Monday will be the annual meeting of the Molalla Mutual Telephone Association.

At the regular meeting of Molalla Grange last Saturday the following officers were elected for the ensuing year: W. W. Everhart, master; H. A. Kaye, overseer; Otis R. Daugherty, L. J. N. Sawtelle, steward; B. C. Cole, assistant steward; Anna Everhart, C. Rhoda Mackrell, treasurer; Barbara Adams, secretary; D. Wilhelm, gatekeeper; Emma Anstien, Ceres; Edith Sawtelle, P.; Jane Baty, Flora; Roxie Cole, lady assistant steward; J. R. Cole, O. Robbins and J. W. Thomas, trustees; G. V. Adams, J. N. Sawtelle and J. L. Tubbs, executive committee.

Now "Bro. Meadowbrook" has it had again. So used to inflating everything with hot air, he has tackled such a substance as the prismatic rays of the "rain bow." Let us hope he will not go too far with his pressure as to explode the seven colors, tearing down from the heavens as it were our anti-flood sign.

Charles H. B. Thomas took his son Rowland to Portland to visit his sister Hallie and to see the sights of the metropolis during the holidays.

Our efficient telephone operator, Miss Christine Sailer, was presented by a handsome cash Christmas present by the several lines running into her ears as a token of the appreciation of the splendid service rendered during the year.

On December 17 and 22, Messrs. Runyon, Douglas, Lou Marston, Ragle, Couper, Eby and Ware met at the church and built horse sheds and did some other necessary work.

The Christmas tree and entertainment at the church on Christmas eve was well attended, as the weather still holds good. Colby Marston, in the role of Santa Claus, kept the audience amused and interested till the last gift was distributed. A special treat of candy, nuts, popcorn and oranges was provided in abundance for all. The program was much enjoyed. The Xmas tree drill is worth especial mention. The little folks marched in from the hall in double file, each bearing an evergreen arch. They went through some simple exercises with a precision and spirit that reflected great credit on themselves and their teacher. Their songs and recitations were appropriate to the season and well rendered. The committee in charge of the entertainment met with hearty support from the community and feels especially grateful to those who assisted in the preparations.

### PARKPLACE SCHOOL NOTES

(Too late for last issue)

The first of the inter-state debates was held last Friday evening, December 17, at Gresham between the Parkplace high school and the Gresham high school. The debaters accompanied by the principal, Miss Eston, who acted as chaperone, and the majority of the high school students, took the one o'clock car to Gresham. Upon reaching their destination they visited the high school for the remainder of the afternoon. After this they took in the sights of the town and having had supper. They next spent some time in the public library. The debate was held in the assembly hall of the high school

building and began at 7.30 o'clock. The question of the debate was, "Resolved, that municipalities should own and operate the lighting plants patronized by the general public." The Parkplace debaters were: Olga Hanson, Fay French and Leland Hendricks, and those of Gresham were: Beesie Osborne, Maud Mitchell and Bert Hess. Hon. J. E. Hoiges of Oregon City, Mr. Walker of Benson, Walker, Business College and Mr. Van Fine of the Central school of Portland served as judges. Their decision was in favor of the Parkplace team. Under the rules governing the debates Gresham is barred from any further participation in the debates of the present year.

The students of the Parkplace school brought back some cartoon posters for the Gresham and Parkplace debate which they are using to decorate the high school room. They report a very pleasant time.

Miss Edna Clarke, who is home on a two weeks' vacation from the Willamette University, spent Tuesday afternoon visiting the high school. She was one of the graduating class of this school last year.

A portion of the reference books purchased by the board of directors have been added to the library and we expect the rest to be here after the holidays.

### ACKNOWLEDGE IT

Oregon City Has to Bow to the Inevitable—Scores of Citizens Prove It

After reading the public statement of this representative citizen of Oregon City given below, you must come to this conclusion: A remedy which cures years ago, which has kept the kidneys in good health since, can be relied upon to perform the same work in other cases. Read this:

William McSarty, 1521 Washington street, Oregon City, Ore., says: "The public statement I gave in praise of Doan's Kidney Pills in January 1906 still holds good. I have had no return of kidney complaint. I was afflicted with backache and pain through my loins and I could not sleep well as no position I assumed, was comfortable. My strength and energy left me and I was miserable when Doan's Kidney Pills were brought to my attention. Deciding to try them, I procured a box at Huntley Bros. Drug Co. and by the time I had taken the contents, I felt so much better in every way that I did not consider it necessary to continue their use. I have been convinced that Doan's Kidney Pills are a reliable kidney medicine. For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
