MY ENTIRE STOCK of Men's, Women's and Children's Shoes, "BUSY BURKE" For a Few Weeks of Merciless Price Cutting

The Colossal Sale Begins Friday, Jan. 21, 9 O'clock

In my new location, after purchasing the entire Rosenstein stock of Women's and Children's Clothing, Dry Goods, Etc., at a tremendous reduction, and with my own fine stock of Men's Clothing, Shoes, Furnishings, Etc., I find it necessary to make extensive improvements which necessitates the cutting down of my great stock to half or less to allow the contractors room in which to make the necessary alterations. To speedily effect the desired clearance, I have turned my entire stock over to the well-known Mr. J. P. Burke, "Busy Burke," whose popularity as a value giver and bargainer is undisputed, and who will spare nothing in his efforts to close out my many short lines and overstock. Then, too, many lines I will discontinue to make room for more needed articles so that I will be able to open one of the best and most up-to-date department stores hereabouts, within a short time. Nothing will be overlooked by Mr. Burke in his duties of clearing out my store; the entire place has been put into his hands without regard of loss, my only object being to effect a speedy clearance that the contractors may begin their work. My own record of real value giving, as well as "Busy Burke's" enviable record as a bargain-giver, is well demonstrated in these monstrous reductions, which are only a small portion of the wonderful values offered throughout the store. You will note that nothing but bonifide bargains are offered; no odd price reductions prevail; every reduction is real, and every value is exactly as stated. Be on hand early Friday morning to obtain your share of these amazing bargains; the store will be closed Thursday afternoon to prepare for the big event, but the doors will be opened promptly at 9 a. m. Friday. COME.
