

# BICYCLES FOR EVERYONE

The younger generation are just awaking into the

**Bicycle Age,** and there is no exercise so beneficial as wheeling. Several of the best wheels in a variety of sizes and prices on exhibition here and it is really surprising the large number of wheels being bought. It is predicted this year will be the BANNER.

WHEEL YEAR since the "Wheel Craze" of fifteen years ago when we older ones enjoyed so much, a spin out over the country highways. The boys and girls of today will ride Bicycles.

## Happenings at Canby

Live local news by our special correspondent

CANBY

The Canby band is progressing nicely under the direction of Dr. A. F. De Loapinoss, leader. The band gave another one of their enjoyable dances at the city hall last Saturday evening, which was well attended, about sixty numbers being sold. The band has a nice little sum in the treasury and are buying new instruments. This month they have bought a new bass drum, cornet, tenor slide trombone and baritone and two more clarinets will arrive in a very short time.

James Wilkinson, the mail carrier, has purchased the five acre tract adjoining Hampton's farm on the west. Price paid was \$1500.

Clarence Fallows and Dr. De Loapinoss visited in Portland Tuesday evening.

L. A. Brandes of Portland was in Canby Sunday looking after his farm near the Willamette river. Mr. Brandes has several men and boys working for him setting out peach trees.

J. J. McCormick, an old resident of this place, is reported quite ill at his home in Portland.

W. H. Locke has purchased the entire business of the meat market, Frank Allen, who has been in the meat business for the past two years, will continue to make his home here.

Charles Walt made a business trip to Oregon City Monday.

Ranchlauler Wilkinson and Alma Knight have accepted positions at the Carlton & Rosenkrans store.

Mrs. Ransford and son of near Hood River, who were in Canby a few days recently, hope to return in the near future and cast their lot with the citizens of this town.

Mrs. Elvira Saltmarsh sold one of her cottages recently to August Koppa of Needy, who with his family have moved their household effects here and are now to be numbered among the citizens of Canby.

M. J. Lee and wife passed through Oregon City enroute to Portland Tuesday by automobile.

Master Orlando Romig is making a record breaking sale of the Saturday Evening Post. He is now leading the Oregon list for March in the towns of Canby's class. If he receives the support of the citizens during this and next month he is almost sure of running a close race for the pony prize of March and April.

The Canby Mining Company have just received word from their representative to the Jarbidge, Nevada, gold mining camp that thirteen promising claims have been located.

The ladies of the M. E. church are making extensive preparations for the oyster supper to be served on St. Patrick's Day in the city hall.

### A Swollen Jaw

is not pretty nor pleasant. Whether it is caused by neuralgia, toothache or accident, Ballard's Snow Liniment will reduce the swelling and relieve the pain. The great and sure cure for rheumatism, cuts, burns, bruises, scalds--any and all aches and pains. Sold by Jones Drug Co.

### Free If It Fails

Your Money Back if You Are Not Satisfied With the Medicine We Recommend

We are so positive that our remedy will permanently relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine at our expense should it fail to produce satisfactory results. It is worse than useless to attempt to cure constipation with cathartic drugs. Laxatives or emetics do much harm. They cause a reaction, irritate and weaken the bowels and tend to make constipation more chronic. Besides, their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestines or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity. The discovery of the active principle of our remedy involved the labor of the world's greatest research chemists. As an active agent it possesses the valuable qualities of the best known intestinal tonics as well as being particularly pleasant and prompt in its results. We want you to try Rexall Orderlies on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands. They do not purge, cause excessive looseness nor create any inconvenience whatever. They may be taken at any time, day or night.

They will positively relieve chronic or habitual constipation, if not of surgical variety, and the myriads of associated dependent chronic ailments, if taken with regularity for a reasonable length of time. They come in two sizes of packages, 12 tablets, 10 cents; 36 tablets, 25 cents. Sold in Oregon City only at our store, -The Rexall Store, Huntley Bros. Co.
