While upon arising in the morning I would get dull headaches. Now I have taken three bottles of Foley's Kidney Pills and feel 100 per cent better. OREGON CITY SCHOOLS

"Progress," Personal and Items of General Interest

CONDUCTED BY STUDENTS

Mr. Walter A. Dimick, city recorder, gave a very helpful talk to the students at the general assembly, Wednesday morning on "City Government." First he took up the different divisions of the government and explained each; the executive power being vested in the mayor, whose duty it is to appoint a police, a health officer and a street commissioner; the judicial power being vested in the city recorder, who keeps account of all financial transactions, all burials and in fact all city records; and the legislative power which is given to the council, who make the laws by which our city is governed. He spoke also of the matter of street improvement, now accomplished, etc.

The "poverty social" on March 19 was a very amusing as well as pleasant social gathering. The refreshments were plentiful and excellent, and most of the costumes reflected great credit on their designers. It would be hard to say which one of the negro quartet was most true to nature, but Brudhad Sambo (Marston) with his lank and hungry carpet bag was an especial attraction for the little folks. A "Josh Billings spelling match" and a surprising stunt by four of the smallest children, who sang some songs, completed the entertainment. Boxes of candy were awarded Miss Alma Maybee and Mr. August Biedenstien for the most successful costumes.

Don't Be Bald

Almost Anyone May Secure a Splendid Growth of Hair

You can easily find out for yourself if your hair needs a course of treatment. It is thinning, getting dry, harsh and brittle, or splitting at the ends. You simply have to pull a hair from the top of your head and closely examine the roots. If the bulb is flimsy and raw it is all right; if it is white and shriveled your hair is diseased and needs no treatment.

We have a remedy for hair trouble that cannot be surpassed. It is a record of growing hair and curing baldness in 95 out of 100 cases where used according to directions for a reasonable length of time. It will even grow hair on bald heads if the scalp is not glazed and shiny. That may seem like a strong statement—it is, and we mean it to be—and no one should doubt it until they have put our claims to an actual test.

We are so sure that Rezell's "93" Hair Tonic will completely eradicate dandruff, prevent baldness, stimulate the scalp and hair roots, stop falling hair and grow new hair, that we personally give our positive guarantee to refund every penny paid us for Rezell's "93" Hair Tonic in every instance where it does not do as we claim or fails to give entire satisfaction to the user.

Rezell's "93" Hair Tonic is as pleasant to use as clear spring water. It is perfumed with a pleasant odor and does not grease or gum the hair. We have it in two sizes, price 50 cents and \$1. We urge you to try Rezell's "93" Hair Tonic on our recommendation and with our guarantee back of it. You certainly take a risk. Remember, you can obtain Rezell's Remedies in Oregon City only at our store—the Rezell Store, Huntley Bros. Co.

SIMPLIFIED FARM

BOOK-KEEPING

No method of keeping a record of receipts and expenditures is more convenient for the farmer than the check account. He deposits his money in the bank, and pays his bills by check. The extra minute taken to write on the stub the amount of the deposit, adding the balance and subtracting the amount of the check, gives him accurate knowledge of his standing with the bank all the time and does away with the use of other account books. You cannot afford to be without a check account if you do any business. Try it. It will cost you nothing and give you great satisfaction.
