

When you feel "Blue," Half Sick, Out of Sorts, and everything seems to go wrong, you can blame it on the Liver, as that organ is usually at fault.

For a Torpid Liver You Need

HERBINE

The Remedy That Puts New Life in the Liver and Regulates the Bowels.

A liver that is torpid exercises a demoralizing influence all through the body. It hampers the kidneys in their work, clogs up the bowels, throws bilious impurities into the blood and interferes with digestion. A person in this condition is pale, sallow and discouraged, feels bad, looks bad and his general condition is bad. Food digests poorly, bowels mostly constipated, suffers from dizzy spells, occasional headaches and prefers to sit around and do nothing in place of his usual hustling energy and cheerfulness.

Herbine changes all this by starting the internal machinery into activity again. Its reviving effect on the Torpid Liver is prompt and thorough. The Stomach and Kidneys feel its stimulating influence. The Bowels are purged of costive conditions and regular daily operations re-established. As a result of this general scouring of the interior, functional activity is resumed everywhere and the purified blood goes coursing through veins, carrying new life and energy to every part.

LOGAN.

About half the members of Harding Grange attended the meeting on February 4th, and much enthusiasm was manifested. The first degrees were conferred on two, and two were made full fledged members. An interesting program was given, including readings, declamations, an essay by Mahala A. Gill on the subject, "What

Girls Should Know," and a piano selection by Elsie Friedrich. The subject of single tax will be discussed at the May meeting.

We have to report several bovine troubles this time. F. W. Ritchoff found one of his cows dead recently when he went to milk in the morning. Phillip Kohl lost a registered Jersey cow last week and F. P. Wilson's cow

stuck a pitch fork tine in her leg. Superintendent Gary and President Todd of Willamette University, spoke at the Grange Hall last week, but owing to very short notice and lack of arrangement, not many were out to hear them.

The county court was out last week to see about building a new bridge at Fischer's.

Logan friends will be pleased to learn that Mr. and Mrs. Frank Davy, of Jennings Lodge, are rejoicing over the birth of a daughter.

Some of Logan's enterprising young men will give a dance at the hall on February 18th.

The Logan Baseball League will give an entertainment on March 18th. The Grange young folks were much pleased at the success of their presentation of "She Would be a Widow" at Springfield.

CLAIRMONT.

Last Wednesday's meeting of the Clairmont Literary Society had a large attendance. Dr. Beard gave us a splendid description of his recent trip through Yellowstone Park. Clairmont is exceedingly fortunate in possessing so much local talent.

We have so many good speakers to call upon. The fame of our society, it seems, has spread over a considerable area already. Our president received a letter from Richard Watrous, of the Civic League, Washington, D. C., inquiring about Clairmont Literary Society.

Mr. Ewald Kuppenbender has the grippe.

Mr. John Elliott is slightly improved.

Mrs. H. Kuppenbender has gone to spend a week with her mother, Mrs. Mooney, of Clackamas.

Misses Letha and Edith Jackson spent Sunday with their aunt, Mrs. Chas. Spangler, of Eldorado.

Miss Gertrude Kroll is home from Oregon City.

Mrs. Dave Sherrille is ill with the measles.

Mrs. B. Kuppenbender and Miss Tony Kuppenbender were shopping in Portland last Friday.

A number of the young folks of Clairmont attended a dance at Mountain View last Saturday night. All reported an enjoyable evening. Mr. and Mrs. Ben Kuppenbender chaperoned the party.

Clairmont is to have a spray factory. Messrs. Ryall and Kordenat are

going into the business.

We will have no school the last of the week as Miss Maxwell has to take the examinations.

Mr. Kordenat has purchased a Mandy Lee incubator.

WILLAMETTE.

How many anniversary Oregonians did you send to your Eastern friends? Mrs. George Butdori, of Portland, was calling on friends here a few days ago.

Mrs. Joseph Kroune, of Portland, visited at the A. Bremer home last Thursday.

A brand new baby arrived at the home of G. Grandquist. All doing well.

Mrs. H. Stevens entertained a few friends at dinner on Thursday.

Fred Baker and Everett Downey spent last Sunday at the home of Mr. and Mrs. Ernest Krause near Wilsonville. Mr. Krause has a model farm, and the boys had a delightful day.

Last Sunday Mrs. A. Bremer served an elegant dinner to a number of invited guests. The occasion was in honor of Mr. Bremer's birthday. Mrs. Bremer is a splendid hostess, and knows how to cater to one's appetite.

At a late hour the company turned their faces homeward, after wishing Mr. Bremer many happy birthdays.

The school board is having a filter installed at the schoolhouse. We hope the grown-up children of this place will not have their minds(?) disturbed any more by "impurities of the water." Certain objects sometimes get so old that they become stale.

EAGLE CREEK.

Mr. and Mrs. Will Douglass and Mr. and Mrs. Walter Douglass were the guests of Mr. and Mrs. Howlett last Thursday. It was Mrs. Howlett's and Mr. Will Douglass's birthday, so they celebrated it together.

Mr. and Mrs. Will Douglass spent Saturday night and Sunday with Mr. and Mrs. Harvey Gibson, of Barton. Will went down for the purpose of going cougar hunting. There have been reports of a cougar or panther roaming around that part of the country lately.

Eagle Creek Grange will give an entertainment and host social Saturday night, February 11th. All are cordially invited to attend.

Mrs. H. G. Huntington and Miss Bina Douglass called on Mrs. Howlett Sunday.

Mr. and Mrs. Jones were Portland visitors last week.

Gus Reed who has been in Eastern Oregon for the last few months, is visiting Oregon City relatives and friends.

The ladies of the Gladstone church are arranging to give a chicken dinner in Gault's hall on February 16th.

Tortured for 15 Years
by a cure-defying stomach trouble that baffled doctors and resisted all remedies he tried, John W. Modders, of Moddersville, Mich., seemed doomed. He had to sell his farm and give up work. His neighbors said, "He can't live much longer." "Whatever late distressed me," he wrote, "I tried Electric Bitters, which worked such wonders for me that I can now eat things I could not take for years. It's surely a grand remedy for stomach trouble." Just as good for the liver and kidneys. Every bottle guaranteed. Only 50c at all druggists.

The greatest enemy of childhood is the tape worm and similar parasites. They are the direct cause of the ones of thousands of children who were so weakened by the pernicious action of these pests that they became easy victims of disease.
