## LETTERS FROM COUNTY TOWNS

### CLEAR CREEK

The saddest thing that has happened about here for many days was the death of Mrs. Alverda Jensen, wife of Andrew Jensen of Redland, on the 2nd of April. She leaves besides her husband six children, the oldest thirteen years, the youngest two weeks. Mesasles with other complications was the cause of her death. Mr. Jensen moved his family here late fall from Newberg, where the deceased was taken for burial. The infant has been placed in the hands of friends for the present, but it is the intention of the father to keep the family together. Mrs. Jensen was a very earnest Christian. The sorrowing family have the sincere sympathy of everyone.

Tuesday morning found us draped in a mantle of snow ranging from about six inches at Springfield to a mere covering on lower levels. Miss Lottie Schwartz and Mr. W. M. Kirchem were united in marriage Sunday, the 9th, at high noon, at the home of the bride, Rev. A. B. May officiating. Twenty-eight of the immediate relatives of the contracting parties were present. The rooms were beautifully decorated with Oregon grape and ferns, with a profusion of flowers. The ceremony was followed by a bountiful feast. In the evening the bride pair went to their home at Logan, where Mr. Kirchem has a farm. The couple are both old residents here and we are glad they are to remain with us. A serenading party, including the Redland brass band, gave the newly-weds an interesting time Tuesday evening. We bespeak for the new couple a joyous and prosperous future.

George Gill lost a valuable mare last week. Roland Johnston, a young child of A. J. Johnston, was bitten upon the face by a dog last Tuesday and was taken to a physician for treatment. Mr. and Mrs. Geo. Gill are the happy parents of a baby boy. This is one more toward that baseball team that George has started in for. Mrs. Chas. Heston is ill with measles and pneumonia. Several other cases of measles are still in progress in the Stone neighborhood. Miss Grace Munpower is suffering from an injured foot. It is reported that Amos Look has sold his forty-acre farm for nine thousand dollars.

Jones: "Hello, Smith, what happened to you that you look so peaked?" Smith: "I've been practicing the rules on 'How to Keep Well' published in the health column of the Daily Screamer."

Ragged wounds are painful and cause much annoyance. If not kept clean they fester and become running sores. **BALLARD'S SNOW LINIMENT** is an antiseptic healing remedy for such cases. Apply it at night before going to bed and cover with a cotton cloth bandage. It heals in a few days. Price 25c, 50c and \$1.00 per bottle. Sold by Jones Drug Co.
