THE CITY NEWS.

Mr. and Mrs. Frank Moore left Saturday last for a ten days' vacation trip to Seattle.

Mrs. Jas. McFarland left Thursday evening for Seattle, where she will spend two weeks visiting her son, Ray McFarland.

Miss Lela Moreland has arrived home from Lewiston, Idaho, where she has been visiting relatives for the past three weeks.

The North Coast Limited, a fast passenger train which left Portland Monday night, was held up and passengers robbed of \$500 at Buffalo, N. D., Wednesday night.

Mr. and Mrs. Frank Harbottle and two daughters, Virginia and Gladys, arrived in this city Wednesday evening from White Horse, Alaska, and will spend the summer here, visiting Mrs. Harbottle's parents, Mr. and Mrs. H. J. Bigger, at Green Point.

The Oregon City Young Woman's Temperance Union will hold their next regular meeting Tuesday afternoon in the Baptist church at 2:30 o'clock. This association, which was only recently installed here, has already about 30 members, and many others have expressed themselves as desirous of joining.

Rev. Chas. Robinson, accompanied by his sister, Miss Clara Robinson, and Miss Catherine Percival, left yesterday for Seaside, where they will take a two weeks' outing. While there Rev. Robinson will hold services in the Episcopal church at Seaside. During his absence Rev. H. Powell of Portland will hold Sunday services here.

The decision of congress over the matter of building new locks at the falls here is as slow as the sewer proposition on the heights or the verdict in the Kerrick case, but some day, when the committee thinks it has kept us on the waiting list long enough to sustain its dignity of being a large body and moving slow, the decision will be given out, and work will be commenced.

Mr. C. F. Schmiedcke, who arrived in this city a few months ago from Madison, Nebraska, purchased from Chas. Caldwell, Wednesday, 40 acres of land, about two miles south of this city, for a consideration of \$7500. Mr. Schmiedcke will raise thoroughbred hogs and chickens, on the place. He now possesses about 40 head of fine thoroughbred hogs. Mr. Schmiedcke has been in the cattle business in his own state for many years, and his undertaking here will undoubtedly prove successful. The people of Clackamas county welcome such people.

A large crowd attended the shirt waist dance at the Busch hall Thursday evening, which was given by Messrs. Frank Busch, Jr., and Fritz Hogg. The music was furnished by Parsons' orchestra of Portland. The hall was prettily decorated for the occasion. Punch was served, and a general good time was enjoyed by all present. The following young men acted as floor managers: Messrs. John Busch, Edward Busch, Otto Hogg and Frank Rotter. The affair was such a success that the young men may give a series of dances during the summer. Many out-of-town people attended.

Ted Preble of Portland visited Oregon City friends Tuesday.

County Treasurer J. A. Tufts will pay all road warrants issued before December 14, 1910, on presentation at his office. It is requested that holders present warrants between 9 a. m. and 5 p. m.

When the bowels feel uncomfortable and you miss the exhilarating feeling that always follows a copious morning operation, a dose of HERBINE will set you right in a couple of hours. If taken at bedtime you get its beneficial effect after breakfast next day. Price 50c. Sold by Jones Drug Co.

Astoria Lodge of Elks has issued a special invitation to the Grand Lodge of Elks to attend the clam bake which they are to give as a feature of the Astoria centennial banquet on August 11, 12 and 13 next. E. C. Judd, who is also chairman of the regatta committee of the centennial, extended the invitation to the members of the grand lodge of Elks when they were in session at Atlantic City, just after they voted to hold the next convention at Portland, Ore.

WILL IT STAND?

Contest Over Referendum Petition of Statewide Interest.

That referendum petition against the appropriation of \$603,000 for the University of Oregon is stirring up considerable interest in this state, and a big fight is on against the attempt of Judge Slater and others who are trying to annul the petition on the claim of fraudulent signatures.

Those behind the referendum petitions claim that the appropriation of a half million dollars is too great an expense on the state at this time, and this is why the hold up petitioners were secured. That there are practically twice the number of signatures required by law, more than two-thirds of which have been verified, is cited as reason for belief that the referendum will stand regardless of the efforts to have the petitions thrown out by the courts on the charge of forgeries.

The Cottage Grove committee proposes to take active steps, as soon as Judge Slater institutes his action in equity to enjoin the secretary of state from further considering the petitions against the appropriations.

The Right Business Basis.

The Southern Pacific has sent notices to the newspapers of Oregon that the practice of exchanging mileage for advertising has been discontinued, and that hereafter the newspapers and the railroad will do business on a cash basis.

This is business, and a basis that should long ago have been adopted. A newspaper is no more entitled to mileage for its advertising than is a farmer for the potatoes he sells to the diners. Both should be on a cash basis, and without obligations to either party. The mileage exchange has long ago been discontinued by the roads and newspapers of the eastern states.

City Council Matters.

At the council meeting Wednesday night it was voted to give the police force a two weeks' vacation on full pay.

The city attorney was instructed to draft an ordinance providing for rest stations on the heights and the business section, at a cost not to exceed \$1,000, same to be erected when funds became available.

Plans and specifications were adopted for the improvement of Fourteenth street. It was decided to make the street forty feet wide and the alley openings ten feet wide.

Plans and specifications for a drain culvert on John Quincy Adams street between Fourteenth and Fifteenth streets were referred to the street committee and city attorney.

A report of the city engineer on the assessments of property owners for the improvement of Sixth street was referred to a committee. It is said that some of the lots are assessed more than 50 per cent of their value, and the committee was appointed to hear the complaints of the property owners and equalize the assessments reduction Republicans remain to be seen, but it is certainly framed right to let them all in.

Flannagan's Way.

Cassidy—Flannagan's thinking of going into the haulin' business. He bought a fine new cart today Casey—But shure he has no horse. Flannagan—No, but he's going to buy one Casey—Well, that's the hole Flannagan. He always did get the cart before the horse.—Philadelphia Ledger

It is a very great thing for us to do the very best we can do just where and as we are.—Babcock.

When duty calls, some men go—in another direction.

Some high ideals are as impracticable as some airships.

Truth is mighty, but some of it can be suppressed.

Few women are deep thinkers—but they are all clothes observers.

Some men are honest because it is too much trouble to be otherwise.
