Needful Knowledge

Oregon City People Should Learn to Detect the Approach of Kidney Disease

The back aches constantly, headaches and dizzy spells may occur and the victim is often weighed down by a feeling of languor and fatigue. Neglect these warnings and there is danger of dropsy, Bright's disease, or diabetes. Any one of these symptoms is warning enough to begin treating the kidneys at once. Delay often proves fatal.

You can use no better remedy than Doan's Kidney Pills. Here's Oregon City proof:

Frank H. Buech, Jr., Main St., Oregon City, Ore., says: "I suffered from acute attacks of kidney and bladder trouble for some time and got no relief until I tried Doan's Kidney Pills.
