**Shall We Raise Limit?**  
At the Live Wires' luncheon Tuesday J. E. Hedges made a statement, which Recorder Slipp backed up, that under our present charter the water works affil city can only bond for \$50,000. We are now bonded to this limit, and next year part of the bonds come due. As stated, we will not be able under present conditions to issue new bonds to retire those coming due, unless we amend the charter. J. E. Hedges and Mr. Slipp were appointed to take the matter up with the council as to advisability of putting same to a vote at coming election.

Robert Gunther, for eighteen years a teacher in this county, has moved to this city from Schubele, and lives at 421 Willamette St. Mr. Gunther will teach at Maple Lane, the coming year, the school opening Monday.

**MAPLE LANE.**

The neighbors of Maple Lane gave a fare-well party Monday afternoon, Sept. 16, for Mrs. Martin, who is moving to Oregon City. The afternoon was spent socially. A picture was given her by the ladies and later refreshments were served. A good time was reported by all those present.

The Ladies' Mutual Improvement Club met at the home of Mrs. Michell's. The meeting was opened with a song by the club, "His Grace is Enough for Me." A reading, "Give him a lift!" was given by Mrs. Cone and another entitled "When mother is away," was given by Mrs. Craven. The quantity named reading, "I've Willamette eats much" was rendered by Mrs. Stafford. "In the sweet by and by," was the title of a song the club next sung. A prize was won by Dorithia Stafford for answering the most conundrums which was given by Mrs. Cone.

This closing the program they adjourned to the dining room, where a birthday dinner was given by the club for Mrs. Michell's, it being her sixty third birthday. After dinner the meeting was called to order by the president and the minutes of the last meeting were read and approved.

There being no business to come before the meeting the ladies were invited to meet Sept. 25 with Mrs. Horton with Mrs. Dimmick, Brown, and Schmidt as assistant hostesses. The meeting closed with the reciting of the club motto in unison.

Those present were:— Mrs. Swallow, Cone, Dimmick, and Adams, Gage, Pegeneough, Wilcox, Schmidt, Reynolds, Smith, Horning, Brown, Horton, Collins, Sartin, Lewis, Parker, Stafford, Michells and Craven.

**GOING AFTER THINGS.**

**Democrats will Force the Fight in Clackamas County.**

The Democrats in this county will no longer sit back and be thankful for the crumbs that may be brushed to them. They are going after the loaf this year and they will do the crumb brushing. They are going to get the big end, it's in the air. You can't stop it. It's a Wilson year and the party that has waited and been on short rations since Cleveland's time is going to get in and play ball.

Clackamas county has quite a few Democratic officials now, but it is going to have more. Every Democrat is full of enthusiasm sixty days away, and from now on the boys are going to buck the line and buck it hard.

County Judge Beatie opened the central committee meeting at Willamette hall Tuesday, and the sentiment of all the Democrats present was to get out and give Clackamas county a campaign that will pretty near clean up what is left of the Republican party this year.

The Democrats are going to elect Harry Lane for U. S. senator and P. S. Noyes for the state legislature; E. T. Mass sheriff; Gilbert I. Hedges district attorney; J. E. Jack assessor; M. E. Gaffney recorder; George M. Hively county commissioner.

This is some claim, but the boys expect to land every one of these in office, and to land them dead easy.

There will be a bunch of live campaigners and bright speakers in this county. Every one of the county nominees will get in the game and help to cover the county and the big fellows, Walter M. Pierce, Harry Lane, John M. Gerin, Senator Chamberlain and others will come in and help Democracy do a thorough job in Clackamas county.

And don't forget that a little contribution to the Wilson fund will help and help a lot.

**WILLIAM STONE WEDS.**

One of the surprises of the week was the marriage Wednesday afternoon of William M. Stone of this city, law partner of George C. Brownell, and Miss Irene Johnson of Portland, at the bride's parents at Glenwood Station.

Mrs. William McLoughlin of Roseburg, was the maid of honor and J. D. Olson of this city, the Portland Journal's representative was best man. There were about forty guests present. The ceremony was performed by Rev. John M. Townsend, pastor of the Arbor Lodge Presbyterian church.

Soon after the ceremony the bridal couple took the Shasta limited for San Francisco, and from there will go to the Yosemite valley for a few weeks' trip. Mr. Stone stands high in Ore-
