

WILSON AND MARSHALL ELECTED TO HIGHEST OFFICES BY SWEEPING VICTORY

CARRY MANY STATES CONSIDERED DOUBTFUL DEMOCRATS INCREASE THEIR MAJORITY IN HOUSE

New York, New Jersey, Massachusetts and Maine Go Democratic.

The Usual Democratic Majorities Returned By the Solid South.

New York.—The result of the most hotly contested presidential campaign since the Civil War shows a sweeping victory for the Democratic ticket. The verdict returned by a majority of the 15,000,000 voters of the country means that Woodrow Wilson, Democratic governor of New Jersey, will be the next president of the United States and Thomas R. Marshall, Democratic governor of Indiana, will be the next vice-president.

The three-cornered presidential contest brought to the polls an unprecedented number of voters. Reports from every section of the country show a nation-wide recording-breaking vote.

The total number of electoral votes is 531, and the returns indicate that Wilson and Marshall have many more than the 265 votes necessary to win. Reports indicate that the electoral vote of the Democratic candidates will pass the 400 mark.

South Still Solid. The so-called "solid South," Alabama, Arkansas, Florida, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Texas and Virginia, which have uniformly cast their

ingly close, the returns from more than 1000 precincts embracing 185,000 votes giving each of the three leading presidential candidates more than 60,000 votes.

President Taft's lead in Philadelphia districts was offset by the heavy vote polled by Roosevelt and Wilson in other parts of the state.

Many surprises were shown in the returns. The New York state assembly seemed to be overwhelmingly Democratic. In Illinois, indications were that Judge Dunne, the Democratic candidate for governor, had won notwithstanding the heavy Roosevelt victory. Former Speaker Cannon seemed to have been defeated for re-election to congress in Illinois.

In addition to Roosevelt's apparently certain victory in Illinois, the confident claims of the Roosevelt managers that Iowa, Michigan and Kansas would fall into the Roosevelt column seemed verified by the partially complete returns. The returns from California, while meager, indicated a Wilson victory. The uncertainty regarding Vermont was settled by the announcement of the complete vote, which gave Taft a majority of 924 votes.

The Providence, R. I., Journal, conceded that state to Wilson, and with the vote close in New Hampshire, it seemed probable that New England's entire vote, with the exception of Vermont, had gone over to the Democratic column.

Democrats Control House and Senate. President Wilson will be supported by a congress that will be Democratic in both branches, thus insuring the passage of a revision of the tariff under Democratic auspices without a possibility of the factional opposition which prevailed in the present congress.

The House will be overwhelmingly Democratic. The returns indicate that there will be a Democratic majority of 119 votes. This will insure the election of a speaker, control of committees, and dictation of legislation during the two years beginning March 4.

The Democrats according to the returns will have a majority of at least four in the senate with a prospect of several doubtful seats being filled by Democrats.

T. R. Has Lead in Kansas. Topeka, Kan.—Returns indicate that the Progressive national ticket and the Republican state ticket had been victorious in Kansas. Progressive leaders claimed the state for Roosevelt by a plurality of 10,000 to 15,000, but the Democrats maintained that the complete vote would place Wilson in the lead. W. R. Stubbs (Rep.) was leading William H. Thompson (Dem.) in the race for United States senator.

Michigan Conceded to Roosevelt. Detroit.—Returns from 145 out of 2115 state precincts show Taft 12,347, Roosevelt 20,380, Wilson 16,066.

This does not include the incomplete count in many Detroit precincts. It is conceded that Roosevelt will carry the state.

Roosevelt Second in Maryland. Baltimore.—Woodrow Wilson carried Maryland by from 20,000 to 25,000 plurality, estimated from figures received. Roosevelt ran second.

LEAD IN NEW YORK 200,000

Wilson Distances Taft and Roosevelt in Third; Sulzer is Elected.

New York.—Woodrow Wilson was the choice of the state of New York for president by a plurality estimated at about 200,000, from returns received from nearly every election district in the greater city of New York and from all except 500 of the 3092 districts outside of New York City.

President Taft led Colonel Roosevelt in the same districts by about 35,000 votes.

Representative William Sulzer was elected governor with a plurality estimated at about 175,000 over Job E. Hedges, the Republican nominee, who in turn led Oscar Straus, candidate of the Progressive party.

Taft Loses His Home State. Cincinnati.—Returns from 100 precincts out of 5211 in Ohio gave Governor Wilson 74,146, Taft 50,875, Roosevelt 34,069, giving Wilson a plurality of 23,271.

Figuring the proportionate gain of Governor Wilson in each 100 precincts tabulated, it was estimated that the Democratic candidate would receive a plurality in the state of from 100,000 to 110,000 votes.

T.R. CONGRATULATES WILSON

In Good Humor, Colonel Takes Defeat by Democrats.

Oyster Bay, N. Y.—Colonel Roosevelt made the following statement: "The American people by a great plurality have decided in favor of Mr. Wilson and the Democratic party. Like all good citizens I accept the result with entire good humor and contentment."

At the same time he issued his statement Colonel Roosevelt sent the following to Governor Wilson: "The American people by a great plurality have conferred upon you the highest honor in their gift. I congratulate you thereon."

"THEODORE ROOSEVELT."

Wilson Sweeps Wisconsin. Milwaukee, Wis.—Complete returns from Milwaukee county and scattered precincts throughout the state indicate that Governor Wilson has swept Wisconsin by from 29,000 to 30,000 votes.

Roosevelt is running behind President Taft except in Winnebago county, which the Progressive candidate carried by a small margin over Wilson.

Marshall Gets Returns at Capital Indianapolis.—Governor Marshall democratic vice presidential candidate received the returns in the state capital. A wire was strung into the office of his secretary and from there the returns were carried into the governor's private office.

Wilson Ahead in Nevada. Reno, Nev.—Early returns indicate that Wilson will carry Nevada by a safe majority; Roosevelt probably will be second.

Boston Goes Two to One for Wilson Boston.—Governor Wilson's strength in Boston exceeded that of Colonel Roosevelt and President Taft combined. The latter two almost evenly divided the vote received by Taft four years ago. The Democratic nominee made a slight gain over the vote of Bryan in 1908. Complete returns from the city showed: Roosevelt, 21,548; Taft, 21,177; Wilson, 43,706.

Governor Foss, the Democratic nominee for re-election, polled almost as many votes in Boston as he did last year in spite of the third candidate.

The Republican vote for governor last year was 28,752.

Killed at Polls in Kentucky Lexington, Ky.—Two men were killed in quarrels at election booths in Kentucky. In Lee county, Constable Thomas Campbell was killed, and John and James Caudill were arrested, charged with having shot him.

In Anderson county, Green Bowen was killed by County Magistrate Harding Stalterlee. It is charged.

Utah Seems to be for Taft. Salt Lake City.—Scattering returns indicate that Taft has carried Utah by a safe plurality and that Governor Spry has been elected.

DEMOCRATS WILL CONTROL CONGRESS

Returns Indicate Democratic Majorities in Both House and Senate.

Chicago.—The next United States Senate will be Democratic by a majority of at least four. According to returns from all sections of the country there will be 46 Democrats in the upper house of congress to 42 Republicans. This leaves eight seats in the doubtful column, with every prospect of their being swung into the Democratic ranks.

Senator Borah Wins in Idaho. Senator Borah, of Idaho, Progressive and Republican candidate, will probably be returned to the senate. In Colorado, where a successor to Senator Guggenheim is being chosen, early returns show the race to be close between the Democrats and Republicans.

Senator Joseph M. Dixon of Montana, Colonel Roosevelt's campaign manager, is having a hard time being returned. In Massachusetts it was still within the realm of possibility that Senator Crane would have to give place to either Mayor Fitzgerald, of Boston, or Governor Foss.

Democrats Win Illinois Legislature. With returns from practically every section of the state showing a steady increase in Wilson's plurality, it was claimed at Democratic headquarters that Illinois will send two Democrats to the United States senate. Colonel James Hamilton Lewis, the regular Democratic candidate for the senate, who was endorsed at the last primaries, will be elected in all probability to the six-year term to fill the place of Shelby M. Cullom.

Kansas in Doubtful Column. In Kansas, where Governor Stubbs, Progressive, is battling with Senator Curtis, standpat Republican, it was indicated at a late hour that both might be defeated and the state go

Democratic. In event of this there may be a Democratic senator from the state elected as a colleague of Senator Bristow.

In Tennessee the legislature will be Democratic, as it will in probably all of the southern states, thus insuring a solid delegation of United States senators to assist in carrying through the Wilson ideas.

Democrats Add to Strength in House. The next house of representatives will be overwhelmingly Democratic. Early returns indicated there would be 277 Democrats, 148 Republicans and ten of other parties, mostly Progressives, in the new lower congressional body.

This would mean a Democratic majority of 119 votes over all opposing party strength.

There is nothing uncertain about the next house of representatives. All the southern states have accorded their usual quota of Democratic members, whereas the Wilson landslide in various eastern and northern sections will add to the former majority of the party.

It looks as if Indiana will send a solid Democratic delegation to the lower body.

Arizona Heavily for Wilson. Phoenix, Ariz.—Returns from all over Arizona indicate that Governor Wilson carried every one of the 14 counties in the state with the possible exception of Coconino county, in which Taft had a lead of four votes at a late hour. Wilson will lead Roosevelt by approximately 3000 votes, with Taft a poor third.

Historic Sounders Tell Wilson Princeton, N. J.—Governor Wilson received the election returns through the same telegraph instrument that ticked off victory to Grover Cleveland in 1892.

The governor had with him at his home only the members of his family and his younger brother, Joseph R. Wilson.

Flagged Train With Shirt. Tearing his shirt from his back an Ohio man flagged a train and saved it from a wreck, but H. T. Alston, Raleigh, N. C., once prevented a wreck with Electric Bitters. "I was in a terrible plight when I began to use them," he writes, "my stomach, head, back and kidneys were all badly affected and my liver was in a bad condition, but four bottles of Electric Bitters made me feel like a new man." A trial will convince you of their matchless merit for any stomach, liver or kidney trouble. Price 50 cents at Huntley Bros., Oregon City, Canby, Hubbard and Molalla.

Bryan Felicitates Wilson. Lincoln, Neb.—William J. Bryan sent the following telegram to Governor Wilson: "I most heartily congratulate you and the country upon your election. Your splendid campaign has borne fruit in a great victory. I am sure your administration will prove a blessing to the nation and a source of strength to our party."

Cannon Believed to be Defeated. Danville, Ill.—Meager returns indicate the defeat of ex-Speaker Cannon by Frank T. O'Hair by about 1200 plurality in the eighteenth district.

WILSON SAYS CAUSE WON

First Utterance After Victory is for Alliance of All Progressives.

Princeton, N. J.—Responding to a telegram from the Democratic national chairman, the Democratic candidate sent a dispatch to Mr. McCombs as follows: "I deeply appreciate your telegram and wish to extend to you and the members of the campaign committee my warm congratulations."

"A great cause has triumphed. Every Democrat, every true progressive, of whatever alliance, must now lend his full force and enthusiasm to the fulfillment of the people's hope, the establishment of the people's right, so that judgment and peace may go hand in hand."

This was Governor Wilson's first utterance of a public character following his acceptance of the reports that he had been elected.

North Dakota For Wilson. Grand Forks, N. D.—From the returns at hand the indications are that Wilson has carried North Dakota. Taft and Roosevelt are running close together, but far behind the Democratic candidate.

Present indications are that the Republican state ticket, headed by Congressman Hanna for governor, has won by a safe margin.

Taft Carries First Town Reported Boston.—Taft carried Acushnet, the first town in the United States heard from. The vote was: Roosevelt, 50; Taft, 104; Wilson, 52. In 1908 Acushnet gave Bryan 12, Taft 118.

NEW JERSEY FOR WILSON

Has 25,000 to 40,000 Over Roosevelt, With Slow Count.

Newark, N. J.—New Jersey has given Wilson a plurality estimated at 35,000 to 40,000 over Roosevelt. Returns showed Taft in third place. His vote was less than half of Wilson's. The heaviest vote ever cast in the state and a long ballot delayed the count.

Ten of the state's representatives in the next congress will be Democrats, two will be Republicans. Democratic gain is three over their present representation. A Democrat will likely succeed Frank O. Riggs as United States senator.

Taft Wins in Vermont by 924. White River Junction, Vt.—President Taft carried Vermont by 924 votes. Complete returns show the following results: Taft 23,247, Roosevelt 22,373, Wilson 15,397.

South Dakota is Uncertain. Sioux Falls, S. D.—Slow returns from scattered precincts of South Dakota indicate Roosevelt and Wilson, running a neck-and-neck race.

Maine is in Wilson Column. Portland, Me.—Success of the Democratic electoral ticket in Maine which will give Wilson and Marshall six votes in the electoral college, was indicated by returns.

Taft Carries First Town Reported Boston.—Taft carried Acushnet, the first town in the United States heard from. The vote was: Roosevelt, 50; Taft, 104; Wilson, 52. In 1908 Acushnet gave Bryan 12, Taft 118.

Boise, Idaho.—Woodrow Wilson will carry the state of Idaho for president. Partial and incomplete returns, a reflection of the trend of the vote, places Wilson in the lead, Roosevelt second and Taft third.

The total vote in the state on president will be approximately 90,000, divided as follows: Wilson 40,000, Roosevelt 30,000, Taft 20,000, with a small vote for Debs. The Prohibitionists will also have a scattering vote. The legislature will, it is conceded on the showing made by the parties,

WILSON IS IN THE LEAD IN IDAHO

Boise, Idaho.—Woodrow Wilson will carry the state of Idaho for president. Partial and incomplete returns, a reflection of the trend of the vote, places Wilson in the lead, Roosevelt second and Taft third.

returns, be strongly Republican, assuring the re-election of Senator Borah and a second Republican senator to fill the vacancy made by the death of the late W. B. Heyburn.

The gubernatorial race is doubtful, the returns indicating the election of G. H. Martin, Roosevelt Progressive. He has carried Ada county and is running strong in all southern and southwestern counties. Haines leads both Martin and Governor Hawley in the southwest, Hawley being second.

North Idaho cast a heavy vote. The returns from there are very incomplete, Nez Perce county being the only one heard from. It looks now like Governor Hawley would be third in the race. Both of the Republican candidates for congress have survived the contest, apparently assuring seats in the next lower house to Burton L. French and Addison T. Smith. The re-election of Chief Justice George H. Stewart is in doubt. He was cut badly by Republicans and Roosevelt Progressives. Arthur M. Bowen, Democrat, is pressing him closely.

Colorado Wilson's by 120,000. Denver, Colo.—On the basis of reports received from 191 precincts in Colorado, including 27 in Denver, figured on an estimated total vote of 270,000, Colorado should give Wilson 120,000, Taft 78,000, Roosevelt 75,000.

Where Ignorance Was Bliss. Mrs. R. E. Hall, a teacher of the Conservatory of Music, is blessed with both a substantial figure and a humorous disposition. A few days ago when a friend in greeting called her "Lady Hall" she laughed and said: "That reminds me of a jolt my vanity received once when I allowed my—er—round appearance to annoy me, which was, of course, when I first began to acquire it. A pupil of mine had fallen into the fashion of calling me 'Lady Corridor.' Somewhat puzzled at the appellation, I asked her why the paraphrase on my short but euphonious name."

"Why, a corridor means a wide hall," she said, "I don't ask needless questions any more."—Kansas City Journal.

A WOMAN'S WISDOM.

The worried mother wakes up to hear her baby's heavy breathing—a little cough—perhaps the croup or whooping cough. She does not want to send for the doctor when perhaps the trouble does not amount to much. Finally she thinks of that medical book her father gave her, The Common Sense Medical Adviser, by R. V. Pierce, M. D. She says "Just the thing to find out what is the matter with the little dear." Two million households in this country own one—and it's to be had for only 31c, in stamps—1,000 pages in splendid cloth binding. A good family adviser in any emergency. It is for either sex. It is what many women write Dr. Pierce—in respect to his "Favorite Prescription," a remedy which has made thousands of melancholy and miserable women cheerful and happy, by curing the painful womanly diseases which undermine a woman's health and strength.

"My desire is to write a few lines to let you know that your valuable medicine has done for me," writes Mrs. MARGARET ZURETT, of 223 S. Benton Street, Baltimore, Md. "Before the stroke came to our house I was a very sick woman. I wrote you for advice which was kindly given and which made me a different woman in a short time. After taking the first bottle of 'Favorite Prescription' I began improving so that I hardly knew I was in such a condition. I did my own housework—washing and ironing, cooking, sewing, and the worst of all nursed three children who had whooping cough. I hardly knew of the advent ten minutes before—so easy was it. The baby is as fat as a butter-ball. Dr. Pierce's Favorite Prescription is the best medicine for any woman to take when in this condition. I recommend it to all my friends."
