

Your Friends PREFER JEWELRY To Any Other Gift in the World

For thousands of years—as far back as historical records go—the universal token of love and friendship has been precious stones and jewels. To every race in every age and generation, gems and jewels have held a charm more alluring than money, land, merchandise or any other form of wealth.

And with each generation, the sentiment attached to the giving and owning of jewels grows.

Every achievement in life is associated with gifts of beautiful jewels—a diamond ring for the baby; bracelets and neck chains for birthday remembrances; at graduation, perhaps a fine watch; a diamond ring announces the marriage engagement; and at the wedding, the crowning event of all, a multitude of precious gems stones and jewels.

Search the gamut of human wants and you will find no gift so acceptable as jewelry. Good jewelry is a heritage that is handed down from generation to generation and an enduring remembrance to the giver.

When you wish to select jewelry for your friends or relatives, come to this store. You can not find more dependable jewelry any place; you cannot find so large or so many novelties elsewhere in this city. Nor are the prices we ask in any case unreasonable. In many instances a comparison will demonstrate that to trade here means a considerable cash saving.

If you are unfamiliar with jewelry, we will be glad to help you to make tasteful selections. On the other hand, if you are accustomed to buying rings, lockets, bracelets, watches, etc., etc., so much the better. You will appreciate the more keenly the high quality of our goods and our up to date selections. Needless to say, every article of merchandise we sell is warranted to be exactly as represented. There's no chance for deception at this store.

Our line is particularly interesting in rings, brooches, bracelets, necklaces, lockets, pins, watches and late novelties.

Come and visit our store, whether or not you are ready to purchase jewelry. Bring your friends along. We take pleasure in showing the many beautiful gems and jewels that we have.

We will gladly set aside anything you may select for Xmas.

OPENING DAY AT HUNTLEY'S Friday, November 29th COME WITH THE CROWD

This being our Twenty-first Anniversary, we have decided to make it the biggest and best "Opening Day" we have ever held and we know you will say we have had some hummers.

Our Souvenirs this year cost us more than ever before, and we feel sure every customer of ours in Clackamas County will be glad to get one. They cost you absolutely nothing. Every customer making a purchase amounting to 50c or more will be entitled to their choice of a beautiful plate, a pretty Japanese pitcher or a large salad bowl. Only one souvenir can be given to a customer, none given to children, and none are to be given out until 10 o'clock a. m.

In addition to our regular souvenirs we have bought 150 "Big Beautiful Dolls" all handsomely dressed the kind that sells for \$1.50 each. These we will sell for 25c to every customer making a purchase amounting to \$1.00 or more. You buy one dollar's worth of merchandise, anything in our big store pay us 25c and take away a \$1.50 Doll. No dolls to be given away before 10 o'clock; none to be reserved by telephone; nor can we give both souvenir and doll to the same customer. It may seem to some of you that we are mighty particular, but to treat you all alike and give all our friends a souvenir we can only give one to a customer, no matter how much they buy.

Don't buy a thing if you don't want to, but come to our opening anyhow. We will have some delightful music in the afternoon—from 2 to 5—Your friends will all be here and we'll try to give you a good time.

We are going to fix up a bit—make our big store look as attractive as we can with green stuff—get our Xmas stuff out where you can look it over if you wish, and generally have "open house" on this day—will you come.

SAVING 25 TO 35 PER CENT

Because of our extensive buying—four stores—we have finally been able to make our Christmas purchases of a New York concern selling exclusively to jobbers. Therefore we can now cut out that extra jobbers profits that ninety-nine out of every hundred stores like ours have to pay, and you may be sure that profit was a big one on this class of goods. For instance a toilet set that any regular dealer would have to charge you \$10.00 for, we can now sell for \$7.50. Look over our big stock and see what it means to our many holiday customers.

MUSIC FROM 2:00 TO 5:00

We've never disappointed our friends in this respect—they all say we have given them a musical treat at our Openings—It will be as good or better this year.

We are a week earlier this year with our Opening Day, but Xmas buyers are setting an extremely good example in early shopping—something every merchant appreciates. Therefore we are anxious and ready to do our part by making our display earlier.

We believe in taking our customers into our confidence and have been doing this for the past 20 years. We think the personal side of a big business is of interest to the customer of a store, and worth telling about. One important event in our business affairs is the opening of our drug store in Portland at Fourth and Washington Sts. This we expect to do very soon after the Opening Day in Oregon City is over. When you are in Portland and want to leave a package, use the telephone, come to us. In fact come to us if we can be of help to you in any way.
