

Oregon City People Must Recognize and Heed It.

Kidney ills come mysteriously. But nature always warns you. Notice the kidney secretions. See if the color is unhealthy. If there are settling, and sediment.

Passages frequent, scanty, painful.

It's time to use Doane's Kidney Pills.

To ward off serious diseases.

Doan's have done great work in Oregon City.

Joseph McDermott, Washington St., Oregon City, Ore., says: "I was in bad shape with kidney and bladder complaint. My back was so lame and stiff that I could hardly get about and it was all I could do to dress myself. On arising in the morning the kidney secretions were scanty and the passages were too frequent. After taking the contents of a few boxes of Doane's Kidney Pills, I was restored to good health and during the past two years, I have had no cause for complaint."

For sale by dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doane's—and take no other.

Wm. L. Cook, who was Postmaster at Neihart, Montana, writes:—"I recommend Foley's Honey and Tar Compound to all my people, and they are never disappointed with it. Foley's Honey and Tar Compound for coughs and colds gives the best possible results." For sale by Huntley Bros. Co., Oregon City, Canby, Molalla and Hubbard.

TUNGSTEN AND ITS USES.

Important Mineral Widely Employed in Various Industries.

Last year there was a sharp decrease in the production of tungsten ore owing to the decrease in the demand for tool steels, in which the bulk of the tungsten produced is used, according to Frank L. Hess in a report on this metal just issued by the United States geological survey. The production of domestic tungsten ore in 1911 amounted to 1,329 short tons of concentrates, carrying 60 per cent of tungsten trioxide, valued at \$407,985; in 1910 the production amounted to 1,821 short tons, valued at \$882,992.

Tungsten is used chiefly in making steels that will hold their temper when heated, but it is most generally known as supplying the filament of tungsten incandescent lamps. The great improvements in drawing tungsten wire and further notable improvements in the size of the globe of the tungsten lamp and in other mechanical details that add greatly to its efficiency are making it encroach upon the carbon filament lamp and the arc lamp, and it is rapidly driving from the market the tantalum lamp, which was the first good incandescent lamp having a metallic filament.

Diamonds are used for dies in drawing tungsten wire. At first it did not seem possible to drill small enough holes through the diamonds to make wire sufficiently fine for lamps of small candle power, but wire 0.0006 inch in diameter can now be drawn in quantity. The total quantity of tungsten ore used for electric lights, however,

amounts to only a few tons a year. New uses of tungsten in making electric furnaces, electric contacts and targets for Roentgen rays, have been developed, and the last two products are being actively manufactured.

Even for purposes of war tungsten may have its uses, and investigations are now being made with a view to its application in the manufacture of projectiles.

A Great Building Fall.

When its foundation is undermined, and if the foundation of health—good digestion—is attacked, quick collapse follows. On the first signs of indigestion, Dr. King's New Life Pills should be taken to tone the stomach and regulate liver, kidneys and bowels. Pleasant, easy, safe and only 25 cents at Huntley Bros., Oregon City, Canby, Hubbard and Molalla.

There could be no better medicine than Chamberlain's Cough Remedy. My children were all sick with whooping cough. One of them was in bed, had a high fever and was coughing up blood. Our doctor gave them Chamberlain's Cough Remedy and the first dose eased them, and three bottles cured them," says Mrs. R. A. Donaldson, of Lexington, Miss. For sale by Huntley Bros. A BLOOD MEDICINE WITHOUT ALCOHOL.

Recently it has been definitely proven by experiments on animals that alcohol lowers the germicidal power of the body and that alcohol paralyzes the white corpuscles of the blood and renders them unable to take up and destroy disease germs.

Dr. R. V. Pierce, the founder of the Invalids' Hotel and Surgical Institute, and a physician of large experience and practice, was the first to make up an ALTERNATIVE EXTRACT OF ROOTS, without a particle of alcohol or narcotic.

"It is with the greatest of pleasure, that I write to let you know of the great benefit it has done to thousands of young men and women, who have been suffering from the effects of your medicine. I have had the pleasure of writing to you for three years from a running sore. Consulted four doctors but they failed to mend or give relief. Finally I was told I was in consumption and would have to consult a specialist concerning my case. The specialist advised me to write to Dr. Pierce, which I did, and after seven months' use of the treatment the sore is healed, and I enjoy better health than I ever did. I dressed myself with Dr. Pierce's Extract of Roots and 'Pleasant Pellets' and 'Gentle Medical Dissolvent' and 'Pleasant Pellets' for my troubles. I shall always recommend your medicines.
