OREGON CITY COURIER, FRIDAY DEC. 6 1912.

MOLALLA.

The switch board is to be re-moved from the postoffice build-ing to the Molalla Telephone Co's. (Inc.) new home central office, owing to re-arrangement of many owing to re-arrangement of many wires, talk will be cut out through central for a few days. Mrs. Clif-ford and Miss Louise Sayle, who have served as operators, almost from the beginning of the tele-phone mutual operation at this place, served notice a year ago that they did not care to fill the **position any longer**, and only con-sented to serve this year, to en-able the company to get located in its new home. its new home.

Everman Robbins' splendid bungalow is nearing completion, where he contemplates moving

Uncle Jake Harless has recov-cred from his sick spell, and lays it all to the election of Wilson, The thought of woman suffrage, however, almost makes him diaxes in the thought of woman suffrage. The thought of woman suffrage,
however, almost makes him dizzy,
as he has some apprehension that
Molalla might do the rash act of
electing a woman mayor when
the town incorporates.
Robert J. Moore is severely ill,
and unable to attend to his farm
duties.more of his old orehard.

\$10 a Year with this

FRANK BUSCH Oregon City

You may now have some other range in your kitchen. Never mind that. You cannot afford to put up with its wastefulness and discomfort any longer. Come to us and we will put in a Favorite Range that will positively save from \$5 to \$10 every year on fuel bills alone.

Favorites are built from the best materials. They practically abolish repair cost-and contain features you would expect to pay \$15 to \$20 extra for, although they are given you without any additional cost.

Such features as the *ventilated* oven-evenly heated-that insures perfect baking, Heat indicator that

enables you to control the oven temperature. A sectional lid for small utensils. A cast flue back that will not wear out in 25 years. A glass oven door, giving full view inside the oven. Accurate, tight fitting of the registers and doors—insuring com-plete control of the fire at all times and maximum economy in the use of fuel.

Favorites are built on the unit system-with interchangeable parts. Tell us your requirements-we will build a range for you that will exactly suit your needs. With all these advantages, Favorites cost no more than the ordinary kind. Why

not throw out that misfit cook stove in your kitchen? Learn the Favorite Way of eliminating waste, worry and work.
