But the minute an initiative law passes then someboy or some interest will jump in with the claim will have it declared so. This applies to both states and nation, and it applies right here to Oregon, for they are trying to have the proposition the people passed for an eight hour law for state work knocked out.

Now the people are the constitution-or should be. The people are not going to pass any laws that will bring ruin or injustice on the state or nation, and when the people of a state pass a law there should not be any greater it? power to annul it.

Roosevelt said this:

I hope that you will put into the laws of Illinois, as I shall or court shall have the power those laws.

The day was when the constiintion was held as sacred as the bible and the courts, and the man who would attack or criticize would have been a traitor. But this day has gone by. The people have lost faith in the courts and they think a constitution is no greater than the men who have to live under it.

And the Courier says "Good for Rosevelt" and hurrah for protection from our constitution.

For The Nervous Woman,

Or the woman who experiences hot flashes nothing is so good to soothe, quiet and calm the nervous system as a pure glyceric extract of native medical plants, and made without alcohol, which has been sold by druggists for the past forty years, and most favorably known as Doctor Pierce's Favorite Prescription. In younger years some women suffer from dizziness, or fainting spells, hysteria, headache, bearing down feelings and pain. All these symptoms of irregularity and female disturbance are relieved by the use of this famous "Prescription"

and female disturbance are reserved.

As a powerful, invigorating tonic "Favorite Prescription" imparts strength to the whole system, and in particular to the organs distinctly feminine.

For over-worked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, 'shop-girls," house-keepers, nursing mothers, and feeble women generally, it is an excellent appetizing cordial and restorative tonic.

Facts About Shoes! Oregon City Buyers Should Read Every Word of This.

THE OREGON CITY SHOE STORE

is not a department or a clothing store. It deals in shoes, and shoes exclusively. Its owner knows shoes, and the shoe manufacturers who sell to him know that he knows

THE OREGON CITY SHOE STORE

has made its reputation on SHOES, and Shoes alone. Its success depends upon its Shoe reputation, for it handles nothing else.

THE OREGON CITY SHOE STORE

does not buy shoes that will admit of "marked down" or any other sort of sale. It charges just enough above cost to pay expenses of handling and give a reasonable profit. That's why you never hear of the OREGON CITY SHOE STORE having any of these "special sales" fake or otherwise. The Shoe buyer gets a hundred cents on the dollar at the Oregon City Shoe Store, and that's all he is entitled to; no more, no less

WHY NOT DEAL WITH A GENUINE SHOE STORE

If you want beef, you go to a butcher's shop. If you want shoes you go to a shoe shop. The Oregon City Shoe Store is the only exclusive shoe store in Oregon City. Doesn't it stand to reason that a store that sells nothing else but shoes, can give you better value for your money, than can a store that carries shoes only as a side line? Of course it does.
