LOCKS and LATCHES-KNOBS and HINGES

YOU don't buy hardware frequently. If you buy the wrong kind, you have bought trouble—that lasts a long time. The essential thing about buying hardware is to know that it is good. The least skillful buyer can come here and be sure that what he buys is good, because—we make it good.

Furniture! Furniture!

NO Matter what the price or quality of furniture you may want, you can find in our mammoth stock at practically your own price. A few items here will give you some idea of values.
