ITHE OFFICIAL ORGAN OF THE FARMERS SOCIETY OF EQUITY

ABOUT THE WAREHOUSE

Secretary Lyman Explains the Details of the Undertaking. Portland, Feb. 5, 1913. To the officers and members of the

Local Unions of the Farmers' Society of Equity: For information and encouragement, we wish to state at this time,

that we have returns to date, from five local union secretaries on the stock subscriptions for the Farmers' Society of Equity Warehouse Co. The total number of shares taken by mem-bers of these unions is 91, of which 54 in \$162.00 in cash yesterday.

were to hold meetings the forepart of this month, and we expect to hear some good reports from them in the next few days, as their officers re-ported that they would push the matter with all diligence, and as individuals, were heartily in favor of our plan.

The committee on co-operation has certainly met with much encouragement in its work in the way of letters and good will from officers and members of the association in various sec

ue to take hold of this proposition as freely as they have started out, we shall soon have very nearly the required amount of subscribed stock, which is necessary to complete our corporation, and turn the company over to the subscribers and to the board of directors elected by them.

A very few individuals, who have | It is time for our uncle to help his intimated that they would not do any- his workers. thing at present on this stock, but things would come out. To such we ive organizations of the farmers of would say, that if every one waited for somebody else to take hold of any

The Oregon College gets every year everything, and everybody would be for somebody else to take hold of any such organization as this, there would nearly \$200,000 of our hard earned on an even footing—would have an Farmers' Society of Equity. The Rifle Route.

A German named Anton Meyer, aged about 60 years, living on the Milwaukie road in Harmony Precinct, killed himself Monday by putting a rifle muzzle against his forehead and pulling the trigger. Sheriff Mass and Coroner Wilson took charge of the body. The man was undoubtedly crazy.

EQUITY.

is worth a carload of long drawn out suggestions

Co-operation is a new thing with farmers and that puts them in the rimer class.

When we buy and sell a few little things and make and save money we will try bigger things.

meetings and take part; add your inhave been paid in full. One local sent luence. You are one and should count one in the local; in the neighborhood; in the State, nation and in the whole thing.

The farmers of Clackamas county or of the State of Oregon need have no fears about the success of any plan of co-operation as the National Union is going to put in a system now. Congress called for a report from

the Sec. of Agriculture in regard to co-operation and the report has been sent to congress and contains 391 pages. The time is not far off when Uncle Sam will join the Equity.

Uncle Sam has joined forces with the banks and made some of the largest fortunes for a few bankers

that the world ever knew. Uncle Sam has gone into partnership with the liquor dealers; stored their product; loaned them money on it and made it pay from the very first.

The Agricultural College of Kan that they would wait and see how sas is now the head of all co-operat- ations, no co-operation, and all was and one to the Secretary of the Union
