WANT MORE LIGHT.

Explanations About Bridge Matters that Explain.

To the Editor of the Courier:-I have read with a good deal of interest the controversy between Judge Beatie and E. D. Olds regarding the cost of four bridges built last year by the court, without advertising for bids. This taken in conjunction with the discussion of the county books, developed during the recent county division campaign has forced home the vision campaign has forced home the conviction that Judge Beatie and his ed so they are absolutely no good. associates, Commissioners Matoon The salary grafter has fared better and Blair, have a fine opportunity to inaugurate reform in the matter of handling the county business. On the face of it, it seems to me,-and also to my neighbors-that the Portland expert accountants, were right when they say that business was handled in an exceedingly slack manner. I read on account of lack of records, little if any details of the condition of the county finances can be obtained. This doesn't mean that the officials are dishonest, but it is evidently the case the court would do well to finish what bill that would tax all hands alike, idea of economy, surely no better in they in control of the law making vestment can be made than a change business. to modern methods of conducting the We have several thousand pages of
