

### WOMAN'S TRIALS.

The burdens a woman has to carry through life are many but they can be lightened if she will turn to Dr. Pierce's Favorite Prescription. A soothing and strengthening nerve, subduing nervous excitability, prostration, hysteria, hot flashes and the many symptoms which may be caused by distressing ills peculiar to women. For those "dragging-down" pains of distress and for the derangements and irregularities of the "Favorite Prescription" has had many thousands of testimonials from people living in every part of America. Another important thing to every woman is that this medicine is made from efficient medicinal roots, without the use of alcohol, narcotics, or any injurious agents. Full list of ingredients given on bottle-wrapper and sworn to by Dr. R. V. Pierce—who is President of the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y. Every woman is invited to write to this Institute and receive confidential and sound medical advice, entirely without cost from one who makes the diseases of women his specialty.

Mrs. MORRILL.

"I can cheerfully recommend your remedies, especially your 'Favorite Prescription,' for all female disorders," writes Mrs. M. M. MORRILL, of Bluff City, Tenn., Route 2. "During the past seven years I suffered from pains in the back and ovaries. Tried many remedies but found only transient relief until I was persuaded by a friend to try Dr. Pierce's Favorite Prescription. After giving this remedy a fair trial, I found that it would do just what it is recommended to do. I used it in seven bottles. I cannot speak too highly of Dr. Pierce's remedies for all female derangements."

Dr. Pierce's Pleasant Pellets regulate liver ills.

#### Will Print 'em Next Week.

The Courier is simply not big enough for all the interesting matters that have come in this week, and several must take their turn and go over to the next issue.

#### Salary Raises.

At the meeting of the city council Wednesday night the salary of the city health officer, Dr. Norris, was raised from \$10 to \$25 a month. The salary of the street superintendent was raised to \$100 a month and that of the street sweeper from \$60 to \$65 a month.

#### Supplemental.

I desire to supplement my article classifying the members of the house by saying that Rep. Lofgren was loyal always to the interests of the people of Clackamas county and that I believe he always cast his vote in accordance with the dictates of his conscience. I say the thing of Representative J. R. Latourette. These gentlemen were always considered with the steam roller, but they displayed a commendable spirit of independence. We cannot all see things in the same light. These men, by inclination, are staunch Republicans and this should be borne in mind by people who pass judgement upon their official acts.

The chairman of the Live Wire Association Dock Committee has called an open meeting for Tuesday evening March 11th, at the Commercial Club rooms when all business men of Oregon City are invited to discuss the matter of free public dock, so that Oregon City may have competition on water as well as railroad passage and freight service.

Mrs. Maggie Cross, who resides on Seventh St., between Jackson and John Quincy Adams street, who has been very ill for the past week, suffering from poison oak, is improving, but it will be several days before she will be able to be out. The beautiful home of Dr. and Mrs. C. H. Meisner on Washington Street between Ninth and Tenth Street, is nearing completion, and soon will be ready for occupancy. This is one of the finest homes in Oregon City. A large and attractive veranda fronting the residence, large fireplace and sleeping porch are among the comforts of this ideal residence.

C. A. Nash, a well-known resident of this city, met with a painful, and which almost proved a very serious accident a few days ago at his home on Abernethy Heights. Mr. Nash was engaged in clearing land, and at the time the accident occurred the sweep of the stump puller he was using, broke and caused a painful injury to his knee. Mr. Nash is now confined to his home, and will be some time to come. This is the latest of a series of accidents that have befallen the Nash family during the past year.

#### Fine Time for the Fire Boys.

The Inaugural hall given at Busch's hall by Cataract Hose company on Tuesday evening was largely attended. Those attending had a most delightful time. Excellent music was furnished by the Prosop orchestra of Portland. The affair was in charge of Milton Price and much credit is due him and the fire laddies of that company for the royal good time given the guests. The fire companies of Oregon City know how to entertain their guests and the affairs given by them are always looked forward to with pleasure.

#### A Cold, LaGrippe, then Pneumonia.

It is too often the fatal sequence. LaGrippe coughs hang on, weaken the system, and lower the vital resistance. R. G. Collins, Postmaster, Barnegat, N. J. says: "I was troubled with a severe LaGrippe cough which completely exhausted me. Foley's Honey and Tar Compound soon stopped the coughing spells entirely. It can't be best." For sale by Huntley Bros. Co.

### A HOT SESSION.

Prof. Tooze and Civic Committee Have Hot Words.

(Continued from Page 1.)

so endorsed the work of the civil improvement committee upon an amendment submitted by Jesse Hazel.

A supplementary of the civic committee was presented as follows: "Friday, February 28, the committee made a reinspection of the ground covered in a detailed report sent to the health and police committee February 18. We found a number of places that had already been cleaned up, by a majority of those mentioned in our first report have evidently not been touched. We took from our first report a series of five cases which and police committee which we made warranted special report to the health March 1. These cases include Nos. 32, 34, 40, 84 and 86 in the original report. In our communication to the council committee we suggested that unless the proper authorities secured the removal of these items which constitute violations of city ordinances, following Friday noon, March 7, 1913, the various members of the committee would find it necessary to file complaints against the owners and see that they are prosecuted."

### DEATHS.

Miss Norah H. Conyers, daughter of the late W. H. Conyers, formerly of Clatskanie, and of Mrs. A. J. Conyers, who is now making her home at Kansas City, Mo., died Tuesday at 1224 East Morrison street, Portland, after an illness of several months of tuberculosis. The remains are at the F. S. Dunning undertaking parlors, and will be shipped to Clatskanie, Oregon, for burial in the family lot. Miss Conyers was 38 years old at the time of her death.

Miss Conyers was born at Clatskanie, where she spent most of her life and was loved by all who knew her. She made her home in Oregon City for several years and held a position with the Oregon City Enterprise during the time Charlie Meserve, her brother-in-law, owned that establishment. She made many friends while a resident of Oregon City, who regretted to hear of her untimely death. Miss Conyers is survived by her mother, Mrs. A. J. Conyers of Kansas City, Mo., one brother, and her father, H. Conyers, a prominent attorney and Oregon pioneer of Clatskanie.
