Nature's Way Is The Best.

Buried deep in our American forest we find bloodroot, queen's root, mandrake and stone root, golden seal, Oregon grape root and cherrybark. Of these Dr. R. V. Pierce made a pure glyceric extract which has been favorably known for over forty years. He called it "Golden Medical Discovery."

This "Discovery" purifies the blood and tones up the stomach and the entire system in Nature' own way. It's just the tissue builder and tonic you require when recovering from a hard cold, grip, or pneumonia. No matter how strong the constitution the stomach is apt to be "out of kilter" at times; in consequence the blood is disordered, for the stomach is the laboratory for the constant manufacture of blood. Dr. Pierce's Golden Medical Discovery strengthens the stomach.

facture of blood. Dr. Pierce's Golden Medical Discovery strengthens the stomach—
puts it in shape to make pure, rich blood—helps the liver and
kidneys to expel the poisons from the body. The weak, nervous, run-down, debilitated condition which so many people experience at this time of the year is usually the effect of poisons in the blood; it is often indicated by pimples or boils

poisons in the blood; it is often indicated by pimples or boils appearing on the skin, the face becomes thin—you feel "blue."

"More than a week ago I was suffering with an awful cold in my head, throat, breast, and body," writes Mr. JAMES G. KENT, of 710 L. Street, S. E., Washington, D. C. "Some called it La Grippe, some pneumonia. I was advised by a friend to try a bottle of your 'Golden Medical Discovery.' I tried a bottle and it did me so much good that I feel safe in saying it is the greatest and best medicine that I ever took. My health is much better than it was before using your medicine. It does all you claim for it and is satisfactory."

Although Mr. Miller had sent the company in Portland a bill, for the amount due his company, he had received a reply to his bill that the biscuit company had paid the amount.

MUCH ABOUT LITTLE. New Era Teacher Says Stories are Badly Exaggerated.

Editor Courier:-You have, no doubt, read the article in several of the papers concerning the brutal treatment of Rhienhardt

Keil of New Era. I have answered the article in each of the papers in which it appeared, and would appreciate it if you, also would put the truth of the matter before the public.

On Tuesday (not Wednesday) Rheinhardt received a birthday spanking. Just plain, ordinary sort; no abuse, no removal of clothing, no exposure, no exhaustion or heart renling cries. In fact nothing we have not all been through. An older sister witnessed "hazing." She is quick temper ed, and would have interfered had there been any abuse.

Rheinhardt played and studied the same as the rest that day and the next. He was taken sick with a slight attack of pneumonia Thursday.

The boys, who are mostly small, are a manly lot and are very indignant over the affair, and justly so D. E. MCARTHUR.
