

Are You Blue and Worried?

Nervous? Some of the time really? Catch cold easily and frequently suffer from biliousness or headache? The reason is that your system does not rid itself of the poisons in the blood; just as impossible as it is for the grate of a stove to rid itself of cinders. Waste does to us exactly what the cinders do to the stove; make the fires burn low until enough cinders have accumulated and then prevent its burning at all. Your liver is sluggish—you are dull and heavy—sleep does not rest, nor is food appetizing. In this condition illness develops. Doctor Pierce's Golden Medical Discovery eradicates the poisons from the body—a glyceric alterative extract made from bloodroot, golden seal and mandrake root, stone and queen's root, without the use of alcohol. No matter how strong the constitution the stomach is apt to be "out of kilter" at times; in consequence the blood is disordered, for the stomach is the laboratory for the constant manufacture of blood.

MRS. BLAKE

Mrs. BENJ. BLAKE, of Port Dover, Ont., Box 86, writes: "I have been a great sufferer for years from throat trouble, catarrh, indigestion, female troubles, bloating, constipation and nervousness—at times I would be in bed, then able to be up again. Was under many different doctors' care, and would get better for a little while, then I would go down with chronic inflammation all through me. For nineteen years I had this poison in my blood. After trying nearly everything I got worse. I read in The People's Common Sense Medical Adviser of Dr. Pierce's Golden Medical Discovery and Dr. Sizer's Catarrh Remedy. I have taken the Golden Medical Discovery and Pleasant Pellets, and have used five bottles of Dr. Sizer's Catarrh Remedy. I am now able to do my work and walk with pleasure. I feel like a new woman. I enjoy everything around me and thank God for letting me live long enough to find something that made me well again."

Dr. Pierce's Pleasant Pellets regulate liver and bowels.

OLD'S LAST SHOT

Corrects Some of the Mistatements of Beatie and the Newspapers

Mr. Farmer and taxpayers, I wish to say just one thing more through press in a sort of explanation, I not being a debator or a public speaker.

I forgot to answer my friend Bob when he quoted the figures to you Saturday on the Oregon City bell tower that I built.

He said that he saw the bill for the steel and it cost me just \$400 f. o. b. and that I got \$1,075. Now I feel sorry for the poor fellow for that is all he knows. He didn't know what he was talking about, but if he wants to know what I paid for the steel I will tell him it just cost me \$550.00 f. o. b. Oregon City and I will show him the vouchers if he wishes—it is \$550.00 and \$5.00 freight which I had to pay on the discount of a wrong shipment by the steel company.

Another thing that I wish to say to you farmers is: Isn't that Oregon City bunch a bunch of hard losers? Even to the paper reporters, or perhaps it is the paper owners or stockholders. Note which was said in the Morning Enterprise of the 6th, of last Sunday, where it said that E. D. Olds bid on several bridges and had received no contract, and also of the reports of the Evening Telegram of the 7th, the reports coming in from the same source, where it says that Olds tried to get contracts, and other sarcastic, slurring remarks.

Now, Mr. Farmers, you know that E. D. Olds used to get contracts in Clackamas County when we had the competitive system, but since Bob has been in he hasn't had a chance to compete for any job outside of one, and that was across the Abernethy, and he, Olds, was right there and put in his bid like a good fellow.

Goodbye Robert, I am done unless I go on the campaign.

E. D. OLDS.

ABSURD POSITION

Enterprise Contention of Friend to Investigate Friend is Laughable

Editor Courier:— Please enlighten the writer as to just what strings the much talked of county court has on the Morning Enterprise. It is evident that for some reason or another that publication is vigorously opposed to the investigation which three or four hundred substantial citizens of the county have demanded, and at every step has attempted to thwart the actions of the interested taxpayers. To cap the climax, a recent editorial in its columns, suggests that "the court should have named one party" to aid in this investigation, the farmers one and the third should be a disinterested party.

Of all supreme nerve! THE COURT to select one party. Can you imagine how soon the whitewash would be applied, if such procedure were permitted. Is it customary to name on any investigating committee, adherents of the parties about whom the stigma is attached? There could be but one result of following out the brilliant suggestion offered by the county court's mouthpiece—there would be no investigation.

The committee chosen, it is said, are strongly opposed to the court. Is that any reason why they should not be allowed to investigate the business methods of our officials—which it is no use to deny—have not been open and above board. The man who appointed this committee, in the opinion of the writer, acted wisely; a "disinterested" committee, as the title would imply, should not be permitted to act, for the very reason that it matters not a whit to them whether or not the charges against the court are proven. These "disinterested" committees, as a rule, either go to sleep on the job, or else want to "hush up" the affair, or exonerate the parties investigated out of sympathetic motives.

The effusion in the morning paper was too plainly a whine for moderation in the coming investigation; in effect it amounted to this: "Don't let these men investigate the court; they are unfriendly to Judge Beatie and his assistants; this antagonism will make them go to the bottom of the trouble; therefore, in the interest of the judge, do not let them act."

Why this attitude, Mr. Editor? I was at the meeting last Saturday as a disinterested newcomer in your section. I have yet to meet the man who will say that the facts brought out at that meeting will not warrant an investigation. The Enterprise is the one exception.

Sincerely yours, "DISINTERESTED."

Straight at It.

There is no use of our "beating around the bush." We might as well out with it first as last. We want you to try Chamberlain's Cough Remedy the next time you have a cough or cold. There is no reason so far as we can see why you should not do so. This preparation by its remarkable cures has gained a world wide reputation, and people everywhere speak of it in the highest terms of praise. It is for sale by Huntley Bros. Co.

MR. JONES' STAND

Men of Sand Wanted, Who are Above Factional Fear

Editor Courier:— I know it is the taxpayers' business to interest themselves as to where our money is spent.

Mr. Taxpayer, if you had a man hired to run your business for which you were to pay him a reasonable salary, would you expect him to work to the advantage of you interests? If you should find that he is working to his interest would you depend on your neighbor to pay him off and get some one else, or just say nothing and let things go on as they are?

Now let every taxpayer get to work and keep the ball rolling while it is started. Don't let that hard talk bluff you out, that you heard at the mass meeting Saturday, because anyone is going to defend himself whether he is in the right or the wrong.

Now taxpayers, do not let your noses forget things so easy. If you stop to think you will remember that in the year of 1910 how the county court turned down so many petitions against the will of the people.

I glory in George Oglesby's sand. He is right. There is only one thing that will hinder us from having a new County Court—that is there are so many voters that would not sign a recall petition for fear they would lose some little county job.

It is time for the people to drop political affairs and work for our own interest and to know our county affairs are handled. You can depend on one.

EQUITY WANTS CLEANUP

Schubel Local Takes Open Stand on County Matters

Schubel Local F. S. E. met in regular session Monday evening at the school house.

The meeting was called to order by the president, C. A. Menke. Regular routine was gone thru with. A lively discussion was indulged in over the county affairs and the methods of conducting the county business.

The following resolutions were adopted unanimously:

1. That the society go on record as being in favor of a thorough investigation of the county court, and also all county officials present and past.

2nd. That we favor using the referendum on all laws increasing the salary of any official while in office, and also on all excessive appropriations for state institutions, and we also favor the recall for all unfaithful officials.

3rd. The use of the recall on the present county court, because of their methods of doing business.

Meeting adjourned.

ELMER SWOPE, Sec.

From Newsy Twilight

The Daily Enterprise of April 2, gives the Pacific Highway to Canemah, by reason of their voting a special road tax at the last election, and the failure of the Twilight district to do likewise. Inasmuch as both communities are in the same road district, the Enterprise reporter has another guess coming on the special tax feature. The Pacific Highway is not bothering the residents of this part of the district, and they can re-locate it whenever they want to.

The item above referred to we recognize as a slam at us, and no doubt was inspired by the editor's partner, the county court.

Onions are a drag on the market at fifty cents a sack, and spuds of no value, yet the rancher has more on his table than the city aristocrat.

Mr. J. F. Spiger recently completed an extremely artistic rustic shrub-house by the use of small oak willows. Just such minor improvements as this go a long way toward beautifying and enhancing the value of our country homes.

In the personal column of a leading Clackamas county paper the expression, "in this city" is being worked overtime.

Among other luxuries, this community contains a wife-beater, something that can be dispensed with without detriment to the neighborhood.

His wife, with three bright little ones, left him yesterday for the home of her parents, after hearing his abuses for a number of years.

Mrs. J. Curtis Dadds spent a portion of last week in Portland.

G. M. Lazelle was hurriedly called to Sellwood Monday by the serious illness of his daughter, Mrs. Meindl.

Mr. and Mrs. Jack entertained Portland friends Sunday.

Mrs. Joencke was badly frightened when near the water trough on the Hill road last Friday evening, by the appearance of a tramp in an insolent manner.

Notice.

Referendum petitions, prepared by Robert Schubel at the request of a part of the farmers and taxpayers of the county, are in circulation, one of which has been left at the Courier office for those who wish to sign.

We are asked to state that each circulator of a petition should take heed to have the petition properly acknowledged before the required official on its completion and before it is sent in. All petitions must be sent in before June 1.

Pains in the Stomach.

If you continually complain of the pain in your stomach, your liver or your kidneys are out of order. Neglect may lead to dropsy, kidney trouble, diabetes or Bright's disease. COUNCIL TRANSACTIONS.

Brief Outline of the Matters Taken Up at Wednesday Session.

A resident suggests to the Courier that as the city council has limited talk to one five-minute session, that an appropriation be now made for two pair of boxing gloves.

For three hours the council gave and took Wednesday night, with Holman and Tooze as the big attraction.

The special liquor license committee wanted to transfer a saloon license when Councilman Beard asked for further time Holman objected to this as an implication that the council doubted the committee's word, and if so asked the committee to be discharged, and there was a lively tilt.

Thomas F. Ryan objected to what he considered an unjust assessment for street improvements.

The matter of a hitching rack on Fifth street was discussed, favored and opposed by several persons.

Council ordered that the North Main street assessments be set for hearing April 23, on which date all objections and remonstrances will be considered.

Changes in the grade at Center street, between Ninth and Tenth streets, was denied.

An ordinance for \$6,000 to purchase rock crusher from Harry Jones was given first reading. Mr. Tooze wanted to look into the matter further and see if price was right. Holman and Myers thought this matter should be pushed along.

The matter of improving Thirteenth street brought out hot arguments, but the result was a motion to enter into a contract for completion of the same within 90 days.

Fourth street was ordered improved.

Rules were amended that arguments be confined to five minute talks and no member be allowed to speak at twice.

An ordinance regulating stables and barns was given first reading.

Expenditures of \$1,000 from the general fund for the purpose of investigating sources of municipal water supply at Mount Pleasant and Canby, was approved, an ordinance to this effect being passed.

Mr. Albright asked that the several lumber yards be given equal patronage on wood paving.

D. M. Klemens, through an attorney, applied for a special permit to sell his stock of wines and liquors, following the revocation of his license at a previous session. He asked until July 1 to dispose of his goods, and stated that only original sealed packages would be sold. After considerable discussion the matter was placed in the hands of the city attorney and a special committee. The committee will report Friday.

A BRILLIANT AFFAIR

Beautiful Women and Gowns Add to Masonic Ball Success.

One of the most brilliant social affairs ever given in Oregon City was the first annual ball given by Multnomah Lodge No. 1, A. F. & A. M., at Busch's hall Monday evening April 8, which was attended by about 200 people, many of whom came from Portland and Canby lodges. Great credit is due the committees in charge of the affair, especially to the committee on arrangements, composed of J. H. Walker, chairman, Don Meldrum, Charles C. Spencer, who spared no pains to see that their guests were entertained in a royal manner. Those who did not care to dance enjoyed cards in the balcony, which was beautifully decorated in evergreens and flags, while the hall where dancing was participated in by the merry dancers, was never more so attractive, with its artistic decorations of Oregon grape, flags, evergreens and garlands of white and blue, these two latter colors being those of the order. Arranged about the room were inviting cosy corners, all of these being occupied during the evening. The committee having charge of the decorations was composed of Henry O'Malley, C. C. Spencer, Don Meldrum, Harry Jones and Earl Walker.

During the evening luncheon was served in the balcony which was screened by American flags and evergreens. The tables were beautified by cut flowers. C. A. Miller, Mrs. Don Meldrum, Mrs. J. H. Walker, Mrs. J. R. Humphreys and Mrs. C. C. Spencer composed the committee on refreshments. Punch was also served during the evening by Carnott Spencer and Mr. Eby.

The latest selections were rendered by local talent under the direction of Prof. Plechtner, a well known musician of this city, and the dancers were enthusiastic in their scores, and many times the orchestra were forced to respond to encores.

One of the attractive features of this affair were the handsome gowns worn by the women. Among the attractive gowns that were noticeable were the following: Mrs. John J. Tobin, pink chamoisee en-train embellished with golden lace and trimmings of pearls; Mrs. H. S. Mount, black lace over blue chamoisee; Mrs. E. A. Chapman white satin; Mrs. John F. Clark, apricot silk with pearl trimmings; Mrs. Don Meldrum, netrose silk with chic drapery, embellished with rare lace; Mrs. J. R. Humphreys white chiffon over blue silk; Mrs. A. Price yellow silk with overdress of chiffon of Bulgarian effect; Mrs. Thompson Meldrum, shadow lace over pale blue silk; Mrs. M. D. Latourette, yellow chiffon over yellow mesaline; Mrs. C. G. Huntley pale blue silk accented with silver embroidery; Mrs. J. H. Walker, apricot silk; Miss Myrtle Parker, apricot silk; Miss Helen Daulton blue silk; Miss Bess Daulton, yellow silk; Mrs. W. R. Logus, black silk net; Mrs. O. D. Eby white chiffon over pale blue silk; Mrs. C. C. Spencer pink broad cloth; Mrs. E. P. Rands blue chamoisee with elaborately embroidered overdress, and maribou trimmings; Miss Wynn Haney, pink silk; Mrs. Hery O'Malley, yellow silk; Miss Sally Warren, of Oak Grove lingerie gown. Many other beautiful gowns were in evidence and with these and the decorations of the

ball room, made a most pleasing spectacle.

The patronesses of the evening were: Mrs. Eber A. Chapman, Mrs. J. R. Humphreys; Mrs. W. A. Huntley, Mrs. M. D. Latourette, Mrs. H. S. Mount, Mrs. Henry O'Malley, Mrs. Theodore Oumund, Mrs. J. H. Walker.

Crowded Out.

Several communications are crowded out this week because the Courier is not large enough.

Special Meeting

Stockholders and directors of Clackamas County Fair Association will hold a special meeting at the court house, Oregon City Saturday April 26, at 4 P. M. By order of the executive committee.

M. J. LEE,

New Railroad Project.

Surveyors and right-of-way men are out in the country to the southeast of Portland. They claim to represent the Northwestern Electric company, which has in view the building of an electric road from Milwaukie to Baker's bridge, on the Clackamas river, where a move is afoot to develop an electric project for a municipal plant for Portland.

It is claimed that connections will be made into Portland from Milwaukie on the Oregon City line, and for freight with the Southern Pacific near Clackamas station. Under the powers of the state railroad commission these roads will be forced to handle the traffic on the proposed branch.—Portland News.

April Grand Jurors.

The following is the list from which the grand jury will be drawn to serve at the April term of the circuit court: Christian Koehler, D. C. Howell, John Gaffney, Albert Gribble, S. F. Sharp, I. A. ROYAL BAKING POWDER Absolutely Pure Economizes Butter, Flour, Eggs; makes the food more appetizing and wholesome The only Baking Powder made from Royal Grape Cream of Tartar

SAMUEL DILLMAN Old Pioneer and Respected Resident Dies in this City Samuel Dillman, a well known and highly respected resident of this city, died at his home on Seventh and Monroe street Tuesday evening, April 8, at 7 o'clock. Although Mr. Dillman has been an invalid for 30 years as the result of an accident met in a train wreck while making his home in California, he has endured his sufferings with fortitude and patience. He has been confined to his bed for the past five months and his wife and children except his son, Abner, of Powell River B. C., were at his bedside when he passed away.

Samuel Dillman was born in Henry County, Kentucky, January 19, 1835, and was the second son of Vachel and Polly Anne Dillman. He resided in Kentucky until he arrived at the age of 19 years, when he accompanied his father to Clay County, Ill., his mother having died a short time before in Kentucky. On January 18, 1854, Mr. Dillman married Martha Anne Erwin, and to this union were born four children, Alfred, who died April 6, 1864, the three remaining children from this union being Mrs. Eliza Jane Carney, Mrs. Mary Elizabeth Harmon and William Vachel Dillman, all of Clay County, Ill. Mr. Dillman's first wife died July 5, 1862 in Illinois. On December 10, 1867, Mr. Dillman married Miss Nancy Jane Ford, this marriage taking place in Henry County, Kentucky, where Mr. Dillman was engaged in farming, and afterwards moved to the state of Illinois, where he remained for two years. From Illinois he moved to California, residing most of the time at Stockton, moving to that place 38 years ago. Eighteen years ago he brought his family to Oregon City, where he has since resided. By a strange coincidence the figure eight has played a prominent part in Mr. Dillman's life as well as the month of April. Thirty years ago this April he moved to California, and 18 years ago in April he moved to Oregon City and it was November 8 that he was stricken and passed away April 8th.

By Mr. Dillman's second marriage there were four children three of whom are living, Abner Dillman, of Powell River, B. C., Samuel O. Dillman of Oregon City, Mrs. Nora Lightowler, of Oregon City, a daughter Annie died in Clay county March 28, 1873. Mr. Dillman is also survived by his wife Nancy Jane Dillman of this city; one sister Mrs. Eliza Anne Meek of Clay County Ill., one brother Louis Dillman, also of Clay County, the two latter of whom remain of 10 children. He is also survived by 13 grandchildren, among those being William and George Lightowler, Miss Jessie Dillman and Effie Dillman, of Oregon City; Ford, Roy and George Dillman, of Powell River; and the remaining grand children residing in the East.

Mr. Dillman became a member of Stony Creek, I. O. O. F. Lodge No. 28 of Oland, California 38 years ago, and the funeral services will be held in the I. O. O. F. hall in this city Friday afternoon at 2:30 o'clock P. M., the services of which will be conducted by Rev. Chapman, pastor of the Latter Day Saints Church of Montavilla, Portland, who will be assisted
