**WEDDINGS**

The beautiful home of Dr. and Mrs. Leonard Pickens of the West Side, was the scene of one of the prettiest home weddings that has taken place in this city when their niece, Miss Irene Moore, was united in marriage to Mr. Ellis Poulter of Portland, the marriage taking place Wednesday evening, Rev. A. Hillebrand officiating.

At the hour of eight o'clock, and to the strains of Lohengrin's Wedding March, the bride, preceded by her sister, Miss Alice Moore and cousin, Miss Marian Pickens, who were the bridesmaids, entered the living room where they were met beneath the beautiful floral archway of Caroline Testout roses and smilax by the bridegroom and his best man, Mr. Earl Grant, of Portland. After the impressive ring ceremony was performed the young couple were bestowed with good wishes and congratulations by those attending the wedding. During the evening several telegrams of congratulations were received from friends afar who were unable to attend. Refreshments were served during the evening by the young lady friends of the bride, Mrs. James P. Shaw poured coffee, while Mrs. E. A. Chapman and Mrs. R. R. McAlpin presided over the punch table.

The bride was prettily gowned in crepe de chine, made en train, and her long tulle veil was held in place by a wreath of orange blossoms. She carried a shower bouquet of Bride's roses.

Miss Alice Moore wore a becoming gown of green chiffon over white messaline with trimmings of dainty pink roses, and carried a shower bouquet of maiden-hair ferns.

Miss Marian Pickens was daintily attired in blue dotted chiffon over pale blue messaline with trimmings of pink roses and she carried a shower bouquet of maiden-hair ferns.

Many beautiful gowns were worn on this occasion.

The decorations of the Pickens' home were beautiful, each room displaying much artistic taste of those having charge of the decorations. Even the verandah was a bower of beauty with its decorations of pink poppies and illuminated with bright colored Chinese lanterns and the grounds surrounding were illuminated with the lanterns of lovely color combinations. The reception hall was in yellow, quantities of California poppies being used. The color scheme of the living room was pink and green, Caroline Testout roses and smilax being effectively, and the dining room was in yellow lupine and blue delphinium, the candles shaded in yellow, while the den was in red carnations. Many handsome gifts were received by the couple.

Mr. and Mrs. Poulter left Wednesday evening for Portland and from that city departed for their honeymoon, which will be spent at Spokane, Wash., and at Sound cities. Upon their return they will make their home in Portland, where they have a furnished cottage near Riverside.

The bride is one of this city's most popular young ladies. She was born in this city, where she has resided all of her life, and is the eldest daughter of the late Mrs. Emma Moore, and grand daughter of Mrs. Emma McDonald, one of Oregon City's prominent residents.

The bridegroom is a well known

young man of Portland, where he is contracting freight agent of the O. W. P. R. & N. Company.

The marriage of Miss Eleanor Frances Brown, daughter of Mr. and Mrs. Frank Brown, former residents of this city but now of Portland, and Mr. Joseph McDonald of New York City, took place Wednesday evening May 29 at the home of the bride's parents at 37th and Hawthorne Avenue, Portland, Rev. Father Black, pastor of St. Frances church, officiating. Only the immediate family attending the ceremony. The bride who is considered one of Portland's handsomest young ladies, wore a simple broadcloth suit of white with a large picture hat to match. At the reception, which followed at the Multnomah hotel, she wore a beautiful gown of white charmeuse and the beautiful diamond necklace, a gift of the bridegroom.

At the reception and banquet, Dr. E. A. Sommers, who was among the guests, made a few remarks and in closing stated that Mr. McDonald was taking to New York one of Oregon's prettiest rosebuds. During the evening an orchestra rendered many selections. The table decorations were appropriate and elaborate.

Mr. and Mrs. McDonald left immediately for New York but will later return to the West where they will make their future home at Los Angeles, where Mr. McDonald has large interests.

The bride, who resided in Oregon City most of her life until she moved to Portland several years ago, is well known here, where she has many friends. She recently graduated from St. Helen's Hall, where she was very popular with her friends. She is considered one of Oregon's fairest young women. Many handsome gifts were presented to Mr. and Mrs. McDonald.

Miss Marjorie Caulfield, one of the city's most popular young ladies, was tendered a miscellaneous shower at the David Caulfield home on Seventh and Monroe street Monday evening by some of her friends. Miss Caulfield was in Portland at the time her friends gathered at her home, and upon her arrival she was escorted into the parlors where were gathered her guests, who had brought many handsome and useful gifts. Some time was devoted to the opening of the mysterious packages by the bride-elect, after which ices and cake were served.

Miss Caulfield's engagement was recently announced to Mr. Livy Stipp, of this city, the marriage of which will soon take place. Those attending the shower were: Mrs. Robert Beattie, Mrs. W. A. **The Usual Mistake**

We are asked to state that the report in the Enterprise regarding the fire at Shively's opera house was entirely untrue. There was no fire, no defective wiring or bad chimneys. Some rubbish was being burned and there was some smoke. Someone turned in an alarm. That was all.

**CLACKAMAS COUNTY FAIR**

Just One Continuous Scream at Opera House June 17-18

Reserved seat sale will be open at Huntley's Drug Store Friday morning.

The home talent musical comedy, "Clackamas County Fair" which will be rendered at Shively's Hall will be one of the most amusing and attractive productions ever given in Oregon City.

With all the preparations that have been made there is no question of the merit of the entertainment and with the talent that has been secured for the event there is even less question as to the success of the performance. All of the horses have been carefully trained for the past few weeks and there was not a rehearsal a TH and there was not a hitch at rehearsal last night. Everything went off in a form that left nothing to be expected. Those who are to take the leading parts have been earnestly at work and have perfected themselves in the art of barking out the virtues of circus lemonade or telling of how high the elephant can jump the fence. All of the green-eyed monsters and the snake charmers will be there and their wonders will be lauded from the stumps as the country lads and lassies from the corn fields come and go in an ecstasy of delight. The farmer boys in their homespun and their new trousers made by cutting down a pair of father's old ones will be there. Their coats may have an affection for their elbows and they may need sugar on their shoes to coax their trousers down, but they will make a good time for all who are going to hear them. There is a laugh in every turn and the turns are numerous.

**BORING**

Rev. A. B. Calder and wife of Tillamook, spent a few days this week at the home of Mrs. Calder's mother Mrs. Dolan. Mr. Calder was formerly pastor of the M. E. church at this place. J. F. Wilmoth of this place who recently moved to La Monte, Eastern Oregon, is here for this week looking over his farm interests.

Work on the new concrete block building constructed by William A. Moran is progressing rapidly. When completed the building will contain the postoffice and a drug store. This is the first concrete block building to be built in this community. The blocks are being made in a nearby building by local workmen and the business is being watched with interest.

This is a new industry in this part of the county and may be developed to larger proportions. Theodore Rehberg of Portland is having a bungalow erected on his property in West Boring.

**The Brilliant Stars of June**

By the end of June, Mars, Venus, Saturn and Jupiter will be the morning stars, but Foley's Honey and Tar Compound is at all times the "Star" medicine for coughs, croup and whooping cough. A cold in June is apt to develop into bronchitis or pneumonia as at any other time, but not if Foley's Honey and Tar Compound is taken.

**ABOUT CHAUTAUQUA**

A Half Column of Interesting Talk Next Month's Session

That the Chautauqua "tent city" will be the largest in years is the prediction of the management of that assembly, which will be held in Gladstone Park July 8th to 20th. This conclusion is evidenced from the large number who have made reservations for tents during the coming session. The Chautauqua owns a large number of 10 by 12 and 12 by 14 fine water-proof tents, and also a limited number of springs. These have been going like hot cakes during the past week or so, and those who wish to be assured of either tent or springs or both had better make their reservations, either by phone, mail or by calling at the office of the secretary, H. E. Cross in the Beaver Building. The Assembly charges \$2.00 for the 10 by 12 tent for the season, and \$2.50 for the 12 by 14 tent. The springs may be secured for 75c for the session.

Many have inquired as to the conveniences on the grounds this year. All camp provisions may be secured from the stores on the grounds, or campers may eat at the Chautauqua Cafeteria. This feature is a new one for our Chautauqua. The ladies of the Canby M. E. Church Aid Society will operate the cafeteria, and home cooking on the cafeteria plan will be the rule. This scheme no doubt will be most popular with those who had to subsist on plain restaurant cooking.

The assembly will have plenty of camp wood however for those who wish the real "camp life." This may be secured at a minimum rate. The park is now connected up with the Gladstone water system, thus insuring the patrons plenty of pure mountain water.

The assembly boasts this year of many new summer school features and an excellent series of 11 o'clock forum hour talks. The main program starts Tuesday July 8th with the Sierra Quartette, who give three concerts. Music is to be the feature of the first three days, for sandwiched with Pamahasika and his pets (for the youngsters) will come the Tyrolean Alpine Singers, Swiss mountaineers who charm all with their lovely native melodies. Ng Poon Chew comes on Friday the 11th and in the evening the Panama Canal lecture will be the feature, given by Fredrick Vining Fisher. Frances Carter reads the "The Blot on the Scutcheon," on Saturday the 12th, and the evening will be given over to Prof. Chapman's concert.

Dr. Hinson is the chief attraction on the first Sunday afternoon. Maud Willis takes the evening program with the reading of "Everywoman" the modern morality play. This is followed Monday 14th with her interpretation of "The Third Degree." Dr. Matt S. Hughes lectures Monday evening the 14th. Colonel Bain takes the 15th afternoon program in his famous lecture "Our Country, Our Homes and Our Duty." On the same evening (Tuesday) Mr. E. G. Lewis of University City Mo., will speak. Dr. Hughes will lecture again on Wednesday the 16th with Miss Carter taking the evening platform.

Miss Grace Lamkin, an entirely new feature with her "supervised play" will have the entire afternoon of Thursday July 17, for her great "pageant" in which the young folks will take part. Col. Bain talks in the evening on "A Searchlight of the Twentieth Century."

Walt Holcomb in his great masterpiece "The Horse Race" will be heard Friday the 18th. In the evening Prof. Baumgart will begin a series of three evening lectures, 18, 19 and 20. Saturday the 19th, Walt Holcomb takes the afternoon program and on Sunday Colonel Bain gives the final lecture sermon of the session. The complete program will be published soon.

**YOU MUST REGISTER**

Whether Man or Woman. If you Don't You Don't Vote

There seems to be a general impression that only those who have not registered, women and newcomers are required to register this year. But shake off that impression and get a certificate, otherwise you can't vote.

The new law provides that every voter MUST REGISTER, whether previously registered or not. After once registering it is not again necessary until you move into another precinct, but this new law provides that EVERY person shall register before he votes again.

This is a matter we should not neglect, but one we should have done early. Registration is now open. Those who live in the corporation limits of Oregon City must register at the court house. There will be registrars appointed by the county clerk for each precinct in the county where those outside of cities may register or any voter in the county may register with the county clerk. A certificate of registration is given to each person who registers.

**Has Anybody Here Seen Kelly?**

"Kelly" is the name of a handsome Spitz dog belonging to the Misses Crummell of Bolton and lately he has acquired the habit of following different members of the family to their places of employment. Wednesday morning the animal decided to go to the Willamette Pulp and Paper Co's plant on the West Side with Louis Crummell and in some manner the dog fell into the hands of several workmen who decided that they would celebrate the Rose Show season by painting the dog's fur pink and green. This was "artistically" done by the would-be paint dabblers, but probably was not finished as only one leg of the dog had received a finish of green paint, while the body, head and tail were decorated in pink and green. The tail was of a bright green but "Kelly" did not object to that color but when it came to putting on the pink coloring, this was too much for the Irish dog and he started for home at breakneck speed. He presented a sad appearance by the time he reached Bolton, and gladly climbed into the tub of water to have the paint removed from his white fur, which he had been especially proud of. Everything from coal to sapollo had been tried but without effect. It is there to stay until next rose show in Oregon City unless some one will come to the rescue with a wash that will cleanse the animal's fur, and if not removed will no doubt carry away the prize for the best decorated dog.

Studebaker wagons are a result of that long experience, coupled with a desire to build the best wagons, not cheap ones.
