Want to be Postmaster

The United States Civil Service commission has announced that on Saturday June 28, a competitive examination will be held at Boring, the result of which it is expected to make certification to fill a contemplated vacancy of Postmaster of the fourth-class postoffice at Cazadero, Clackamas County, or any other vacancies that may occur at that office, unless it shall be decided in the interest of the service to fill the vacancy by reinstatement.

The examination is open to all citizens of the United States who can comply with the requirements and are 21 years of age or over on the date of the examination, with the excepttion that in a state where the women are declared by statute to be of full age for all purposes at 18 years. in which case they will be admitted to the examination, if 18 years and over on the date of the examinat-

That is the fate of honest toil and virtues reward. Had these women chosen to sell heir souls hey could have leisure.

These are some of he things which these are some of the things which you uphold with your votes. Don't you think it is time to change the economic system that produces such results? That is one reason why the powers that be have opposed votes for women, fearing these sisters would make better use of the power than their brothers have done. Watch the women in England when they get the vote they will make good use of it. They are fighting for it.
