Goaffery O'Hara, recently appointed by the Interior Department at Washington to record the travel songs and music of all American Indians, began his work in New York City last week by taking his first phonographic records of the songs of the Blackfeet Indians from Glacier National Park, Montana. Secretary of the Interior Lane took advantage of the presence of the Blackfeet Indians in New York, where they came to attend the Travel and Vacation show as guests of Louis W. Hill, chairman of the Board of Directors of Great Northern Railway. He sent Mr. O'Hara on to New York, from Washington, to begin his laborious task with these Indians. During the stay of the red men in New York, Mr. O'Hara had them sing into phonographs and the records will be sent on to Washington to be put in the government archives, therefore preserving for all time the music of the original Americans, who are rapidly passing to the Happy Hunting Ground.
