APPENDICITIS

Cured Without Operation. Here is Sworn Proof!

STATE OF MINNESOTA, ss.
COUNTY OF STEELE, ss.
I, Richard Jahreiss, of Owatonna, Minn., being first duly sworn, do say that I am the person named in and who subscribed the following statement and the same is true of my own knowledge, in every particular: "I had severe pains in my right side, just above the Appendix. I went to the doctor and he pronounced my case Appendicitis and advised an operation. Instead I went to Zamboni Bros. Drug Store and bought a bottle of (Adler-i-ka) Treatment. After taking it the result was indeed wonderful. The pains stopped and I felt like a new man. I heartily recommend (Adler-i-ka) Treatment to anyone troubled with Appendicitis, as I know I have cured me."
(Signed) RICHARD H. JAHREISS,
Subscribed and sworn to before me June 29, 1905.
J. NEWSALT, Notary Public, Steele County.

Appendicitis is becoming worse and worse, and everyone should know of this wonderfully successful treatment. A valuable book, showing many pictures of that curious and little known organ, the human Appendix, and telling how Appendicitis is caused, how it can be treated without operation, and how you can easily guard yourself against it, will be given FREE to anyone calling at our store.

Our guarantee is back of this preparation. After using the contents of the bottle if you are not satisfied return the empty bottle and we will refund you your money.
