The Farmers Society of Equity is spreading over this county and the Courier is spreading with it. Its advertising columns are good as gold

OREGON CITY COURIER

Clackamas County Fair September 24, 25, 26, 27 Canby, Oregon

· 31st YEAR

OREGON CITY, ORE., THURSDAY, JULY 24 1913.

COURIER IS MADE THE STATE PAPER

STATE EQUITY SOCIETY DIREC-TY IN OREGON.

THE CHOICE WAS UNANIMOUS the buggy.

Plans are Under way to Extend Courier Field and Give it a State Wide ly Growing

At the state meeting of the direc- worthless. tors of the Farmers' Society of Equity was designated as the official paper balance in mortgages. for Oregon for the society The de-

In the middle west it is already a tive unions and their strength is being you have jogged. recognized more and more every month, and it is but a question of time when it will become a power in this country, for it has a plan that

is power behind it. Commencing in Portland a few months ago, it has grown rapidly, now has a substantial state organization last week there was an innocent apand is being rapidly extended up the will among other transactions. Here it alone has twenty-five organizations are the country of the most successful farmers in the country, and a sure. Mr. Brown suggested that several man who has a host of staunch, fever, and who knew that the state and the memberships are increasing

every week. The designation of the Courier as the official representative of the state is a handsome compliment to this paper, but it means far more than a compliment.

It means that working in and through the many locals this paper will keep up with the growth of the Equity; will grow as the organization grows; will extend its circulation into other counties and if the plans as outlined can be made good, the Courier will have a state wide circulation.

A new publicity committe has been page, new editors will soon be on the job and as soon as they get squared away the Equity department of the Courier will be the most interesting part of the paper.

seep in and stay in, and that is that only through organization-everlastingly hanging together-and co-operation can the farmers of Oregon get an even break with the huge organizations that get rich off their products. And if they will organize and stick through rain and sunshine, they are bound to get dividends.

Today the equity members in Clackamas County are getting Equity benefits, genuine, direst dollar benefits. This is but a starter for benefits that will come as the order becomes more solid in this and the other counties. Buying and selling together standing solid as the big corporations stand, the Equity people will soon be a power to be rekoned with in Ore

The Courier hopes to grow with the we can get the plans in working or has on a mad bull. der this paper will greatly enlarge its

And until new editors can be secured for the Equity department and July! until we get things shaped for the eeceme hmfr dwiln un i rhe smhrfdw valley. A recall election is too close 9, Grisenthwaite 5, Smith 4. Then folbigger field we ask Equity readers at hand. Let the cruising bills go lowed the final ballot between Mr. to have patience and stand pat.

A FOOL AND HIS MONEY.

The Buzz Wagon is the Handy Means that Parts Them .

Where is this automobile craze going to carry this country, and the peo ple that are running with it? It's my guess that the final results

will be worse than a grasshopper

The trouble is that the plague is epidemic, and the man who has been the least bit exposed will get it and get the chronic end of it.

If it were confined to those who can afford it it would not be such a bad disease, for it would simply loosen a ment from articles printed in the Orefew of their mortgages and put mon- gon City Enterprise, unless it divides ey into circulation.

no doctor can cure them, then it is a not \$30,000, and the managers are not pretty bad risk.

A man told me the other day that to come from. in a prosperous little town up the vallev there were many mortgages on the real estate, probably aggregating \$30,000, to secure the purchase of au-

tomobiles. The same man told me that a big auto dealer in this state had mortgages all over the state, as security for of three weeks ago, Frank Jaggar the payments of autos, and that the former county road supervisor, states auto firm was considering going into to the Courier that he personally paid

the real estate business. When a man has to plaster his home stated that about a year later he sold or farm to buy an auto, he isn't a very the roller to the county for \$3150 and valuable asset to any locality for a that during the period when he owned time. It will take all the coin he can it he never received a dollar for the dig up to buy gasoline, pay for re- use of the machine or any interest on pairs and keep up the interest on the the money invested.

You can buy an auto in Portland side to the story.

And that's losing money some. And the minute you crank up that engine and begin to be one of the buzzers, you commence work as traveling salesman for the rubber trust-with
