You will not have this trouble if you will consult us, for we are specialists in the selection of the right gift for the right person.

Here are just a few of the many suggestions we can make to you:

FOR MOTHER—A beautiful piece of Silverware. A gift that would be in excellent taste and would be greatly appreciated by her.

FOR FATHER—A watch, a real man's gift. A good watch will give him a lifetime of accurate service. Here you can choose from the world's greatest watches, namely: Waltham, Elgin, Howard Hamilton, South Bend and Ingersoll—Trenton. He would certainly be proud of a gift like this.

FOR SISTER—A locket of the latest and most exquisite design. She would certainly be pleased with a gift like this, with a nice chain to wear it on.

FOR BROTHER—A Waterman fountain pen—one that never clogs, scratches or refuses to write. He will find it a mighty handy convenience and therefore, a very acceptable gift.

FOR BABY—A spoon—it's about the nicest gift you can give a baby.

Revisit Old Home

An Oregon City pioneer, Mrs. C. V. Crawford of North Yakima, was in the city Tuesday for a renewal of old scenes. She came to Oregon City with her parents, Mr. and Mrs. Isom Cranfield in 1847, from Illinois, arriving here in the fall of that year. Mr. Cranfield was in partnership with Ben Simpson in the sawmill business, operating the plant for several years. It was located on the Clackamas river above this city. At one time Mr. Crawford was the Justice of the Peace for this vicinity and at the same time operated a general miscellaneous store on Water street. He lost his entire stock of goods three different times, this loss being occasioned by the high water from the Willamette.

Mrs. Crawford sees many changes in the environments of her childhood home, yet has been able to locate several of the old landmarks. Together with her son-in-law and her daughter, Mr. and Mrs. J. M. Fillom, of Frontlake, Washington, she visited the old John McLaughlin home which held many memories of the kindly old man who performed so many charitable deeds in behalf of the pioneers.

Mrs. Crawford's parents took a donation land claim—number 49 on the plat at the assessor's office—located at Clackamas station, which she will probably visit in a few days.

Sterioptic Lecture

Mrs. Crawford is visiting relatives in Portland and expects to return to Oregon City again to further renew her acquaintance with the city and historic spots in the vicinity.

There will be a sterioptic lecture in the Presbyterian Church next Wednesday night in the interest of the Sunday school of that church. This will be a fine lecture and one that none will want to miss, as it takes one back to the old southern battle fields in Tennessee, many of the pictures having been taken on these historic spots. There will also be some fine views of Oregon in the Cow Creek Canyon and other scenery of equal beauty and grandeur and educational. Mr. Ralph Eddy, who made his home in Tennessee for some years will give the lecture, and he is a very interesting talker and has made a study of his subjects and will give a good description of every view which he has taken with his own camera. The price of admission will be 10 cents for children and 15 cents for adults.
