EDISON'S New Disc Phonograph

A DESIRABLE HOLIDAY GIFT

AND A CONSTANT JOY THROUGHOUT THE YEAR

On Sale at our store, where a complete demonstration will be cheerfully given to any one calling, or an illustrated Booklet describing the different models will be mailed upon request:

This new instrument is the result of many years of experiment and investigation by Mr. Edison. All mechanical timbre is eliminated. All sounds are recorded and reproduced with absolute fidelity to the original, and every shade of volume and overtone is preserved. The tone is superb. This instrument opens to music lovers for the first time the great store of fine music which heretofore has been impossible of reproduction.

Edison Disc Phonographs—\$60.00, \$80.00, \$150.00, \$200.00, \$250.00.

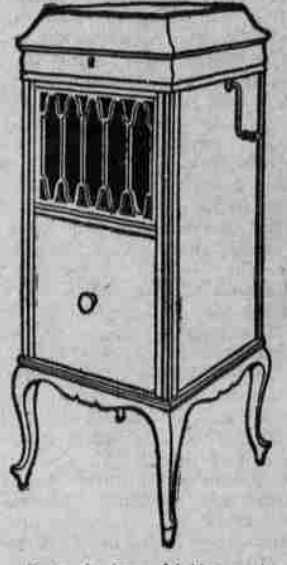

Edison Cylinder Phonographs—(hornless)—

\$30.00, \$45.00, \$60.00, \$80.00, \$100.00, and upwards.

Any Edison Machine sold on easy payments if desired.

"REAL MUSIC AT LAST"

Disc Records from \$1 Upwards

Records from \$1 Upwards

FAIR TO YOURSELF

If you have thought of buying a Talking Machine, don't you think you owe it to yourself to come to our store and hear the Edison before parting with your money? Drop in any time, and we will be glad to play a new Edison for you.

Burmeister & Andresen

OREGON CITY JEWELERS SUSPENSION BRIDGE COR.

(Exclusive Agents for Edison Phonographs in Oregon City)

THE DIAMOND AND THE DISC

Changeable needles or points are not used. The reproducing point which traverses the record is a genuine diamond, permanently mounted; it is never changed and never wears.

RECORDS

The records are in the disc form, of a material which is new in chemistry and of so great hardness as to permit the reproduction of the myriad of faint overtones which alone give quality to music. These records are truly indestructible. The method of recording these new Edison records is also new, and the processes of manufacture are unique and new in every detail.

SPECIAL MOTOR

The mechanism of this new instrument is powerful, and is governed as accurately as a chronometer in order that the pitch shall at all times be accurately reproduced.

NEWS OF THE CITY

Miss Nan Cochran... Local Editor

Mr. and Mrs. L. E. Jones have moved to their handsome bungalow on Sixth and High Street. Mayor Jones recently purchased this property and has had the residence remodeled, and it is now one of the most attractive homes in the city.

Mr. and Mrs. Caldwell have arrived from Newberg to make their future home in this city. The former has been awarded the contract of erecting two bungalows for Dr. C. A. Stuart, to be erected on Center Street.

W. F. Bealy, who arrived in Oregon City Thursday, where he will spend the holidays, and has arranged by special request of some of the young people of this city, to teach the two latest dances, the "tango" and "Hesitation Waltz," these two dances of which Mr. Bealey gave exhibition at several tango teas recently held at Vancouver, B. C., when the society people of that city took an active part. These affairs took place at Vancouver Hotel and at Glencoe Lodge.

Mr. Bealey has secured Knapp's Hall and will give lessons to many of the young people who thoroughly enjoy the new dances.

West Linn Will Have Christmas The West Linn school will give a Christmas program and have a tree on Friday, Dec. 19, from 7:30 to 9 o'clock. No presents will be received. The program will consist of plays, songs and choruses rendered by the pupils of all grades, from first to eighth.

The gymnasium, in which the program will be given, has been decorated for the occasion. Everyone is cordially invited to be present.

Tracy Building Completed

Frank E. Dodge, the well known contractor of Canby, was in Oregon City Tuesday on business. Mr. Dodge has just completed the concrete structure owned by J. M. Tracy and which is to be used as a livery stable by W. C. Wilson. This is one of the most substantial livery stables in the county, and is an addition to Main Street, this taking the place of the wooden building recently destroyed by fire. Moffatt & Parker are the contractors, while Mr. Dodge is the sub-contractor.

This building is 70 x 105 feet and is of two stories, and is modern thru out. The lower floor is to be used as a livery stable, having 30 stalls. As the floors are of concrete in each stall there is a double flooring, thus allowing the horses wooden floors, and having a concrete foundation. The rear of the second story will be used as a storing room for the feed, while it is the intention of Mr. Tracy to have that part fronting Main street, arranged for apartments. These will be used in connection with another building to be erected in the near future on the north side of the building first completed. There will be 26 rooms in all and will be modern and used for house-keeping rooms.

Mr. Dodge has erected some of the finest buildings at Canby, among them being the concrete structure erected by Carlton & Rosenkrans, M. E. Church, Canby band hall and many residences. He also remodeled the Cottage Hotel. For the past two years Mr. Dodge has been busily engaged in building.

Not Beyond Help at 87

Sleep-disturbing bladder weakness, stiffness in joints, weak, inactive kidney action and rheumatic pains, are all evidence of kidney trouble. Mrs. Mary A. Dean 47 E. Walnut St., Taunton, Mass., writes: "I have passed my 87th birthday, and thought I was beyond the reach of medicine, but Foley Kidney Pills have proved most beneficial in my case."—Huntley Bros. Co.
