Does Your Watch Need Repairing

A Watch is Intended to Tell You the Time of Day

Unless it does this ACCURATELY, it is worse than useless, for it is like the man you can not depend upon.

Many a man has twenty-five or thirty dollars tied up in a watch, which is worthless, when, if he would invest a dollar or two for having it repaired, he would get the full value out of it.

Often a watch which does not keep proper time needs REGULATING for which we make no charge. If it needs repairing our charges are, more than reasonable,
