### MRS. W. W. LAKE

Tells Others How to Get Strong

Mrs. W. W. Lake of Aberdeen, Miss., says: "The grippe had left me in a weak, run-down condition from which I suffered for some time. I tried different remedies but nothing seemed to do me any good until I took Vinol, from which I received great benefit. My cough is almost entirely gone and I am strong and well again, and I am glad to recommend Vinol to others who suffer as I

Mrs. Lake's recovery was due to the combined action of the medicinal elements extracted from cods' livers -combined with the blood making and strength creating properties of tonic iron, which are contained in Vinol, and her cough disappeared as a natural result.

We guarantee that Vinol will do all we claim and will pay back your money if Vinol does not satisfy you
