STONE

Greetings from Stone. We are all alive, having such beautiful golden, shining weather. Spring has come in her grandest robe. Birds are singing their praises to the supreme ruler, and why should not we do the same?

Well, our enthusiasm has become stirred up again over the prospect of getting a railroad through here. Mr. Carver has proposed putting a road through here if the people want it. The farmers held a meeting to talk it over. Mr. Carver was there, and our genial friend, Harvey Cross was there to talk and explain about it. A big crowd of men and women were there and happy, smiling faces were good to see. Everyone wants the road to come. Mr. Carver looked like a man we could depend upon, a man of very few words. Our railroad fever is running high, and our pulses are beating double time. We are looking for it, we might as well do like Rip Van Winkle.

There will be preaching at the church-house at Stone next Sunday, March 15th, by S. E. Witty.

EAGLE CREEK

Mrs. Bertha Douglass died March 9, 11 A. M. after a short illness. She became ill Wednesday, and in a day or two she was getting better, but late Sunday afternoon she became much worse, when it was thought best to take her to the hospital, so Sunday evening she was taken to the Good Samaritan Hospital, but she did not rally.

Mrs. Strahl went to Forest Grove Saturday to visit friends. Miss Nettie Woodie is over this week visiting with relatives.

On account of the death of Mrs. Bertha Douglass the concert will not be given Saturday night at the Douglass school house.

WE HAVE FAITH IN THIS STOMACH REMEDY

A woman customer said to us the other day, "Say, you ought to tell everyone in town about Rexall Dyspepsia Tablets. I would myself if I could." That set us to thinking. So many people have used them and have so enthusiastically sounded their praises both to us and their friends, that we had an idea you all knew about them. But, in the chance that some of you suffer from indigestion, heartburn, dyspepsia, or some other stomach complaint, we'd like to know about them—we're writing this.

They contain Bismuth ad Pepsin, two of the greatest digestive aids known to medical science. They soothe and comfort the stomach, promote the secretion of gastric juice, help to quickly digest the food and convert it into rich, red blood and improve the action of the bowels: We believe them to be the best remedy made for indigestion and dyspepsia. We certainly wouldn't offer them to you entirely at our risk unless we felt sure they would do you a lot of good. If Rexall Dyspepsia Tablets do not relieve your indigestion, check the heartburn, and make it possible for you to eat what you like whenever you like, come back and get your money.

Sold only at the more than 7,000 Rexall Stores, and in this town only at our store. Three sizes, 25c, 50c, and \$1.00.—Huntley Bros. Co., Oregon City, Ore.

LOGAN

The Logan correspondent should be recalled. The daughter of his near neighbor got married, to a first class news item, and the use of it has been delayed. D. C. Fouts Jr. and Miss Iva Gerber were married on February 24th and have settled down to housekeeping on the Fouts' farm. May happiness and success attend them.

Many questions were discussed at the grange meeting last Saturday, under the able leadership of the lecturer,
