

JUDGE GRANT B. DIMICK

Republican Candidate for Governor Tells the People What he Stands for and What he will Work for

To the Legal Voters of Oregon:

I have filed my declaration with the Secretary of State as a candidate for the Republican nomination for Governor, and as the law limits the expenditure of each candidate for this office to fifteen per cent of one year's salary. I am compelled in order to abide by the spirit and letter of the law to avoid making an expensive campaign, and in order to reach the voters whom I will not be able to meet in person, I herewith submit through the press for your consideration the following:

First: I stand for a strict and rigid enforcement of every criminal statute.
Second: I favor equitable labor laws giving to the laborer just consideration.
Third: I am opposed to high and extravagant legislative appropriations and the constant creation of salaried boards and commissions which carry with them an army of employees to be paid by the taxpayers of the state.

Fourth: I stand for the constant improvement of our public school system free from extravagance, and should the Supreme Court of the United States declare a forfeiture of the lands now held by the Oregon & California Railroad Co., then and in that event I favor urging Congress to place those lands at the disposal of the Irreducible State School Fund of Oregon.

Fifth: I stand for the permanent improvement of public roads from the market centers into the agricultural districts, the same to be built under skilled management, so as to get full value for the money expended.

Sixth: I favor a constitutional amendment allowing the Governor to veto any one or more items in an appropriation measure without vetoing the entire measure.
High tax levies are usually the result of excessive appropriations and experimental legislation, and the most effective cure for that abuse is to be more careful in the selection of your legislative members.

I was born in Marion County, Oregon, March 4th, 1869, and was educated in the Public Schools, McMinnville College and the State Normal School at Monmouth, Oregon, admitted to the bar by the Supreme Court in 1895, served five terms as Mayor of Oregon City, three years as Deputy District Attorney, was elected Presidential Elector on the Republican ticket in 1904, and County Judge of Clackamas County in 1906. I am deeply interested in agricultural pursuits, own and manage the Dimick Stock Farm at Hubbard, Oregon, and publish the Western Stock Journal at Oregon City.

I respectfully submit my candidacy to the consideration of the Republican voters of Oregon.

GRANT B. DIMICK.

WHAT BACKING A NEWS-PAPER WILL ACCOMPLISH

Mr. Schmitke Cites What the Voters did With the Courier

"If the farmers back a paper and make it their own paper, that paper will get after your county court and do what the Oregon City Courier did a few months back when it got the county judge and one commissioner recalled. You can do the same here if you back your own paper. We wanted Mr. Long of the Argus to be the official paper of the farmers in this society, but he wanted \$600 a year for it. And then we got it for nothing from another paper.

"If you have this Farmers Society of Equity well organized you can have social affairs and you can discuss other matters and pass resolutions. You can deal with the county court and here I want to say that of all the county courts in Oregon this one we have here in Washington county is the worst. You can't get any facts, figures or information of any kind straight from this county court. They cannot give you anything straight only the notice to Pay and Pay."—J. Schmitke, in Banks Herald.

An Important Consideration.
"What reform will you advocate?" asked the friend.
"I don't know," answered the woman who had just returned from a trip around the world. "What reform is most fashionable at present?"—Washington Star.

Queer Connection.
"No system of physical exercises yet invented," says Oliver Onions, the novelist, "can compare for one moment with silk stockings for giving an erect carriage to the female head."

WILLIAM GRISENTHWAITE

Candidate for Representative and What he favors for Oregon

I have been a resident of Oregon for 27 years. For the last 20 years I have lived on a farm at Beaver Creek.

I have been a member of the Grange for 15 years, and was master of Clackamas District Pomona Grange for 3 years. I am state president of the Farmers' Society of Equity.

If nominated and elected I will advocate economy in all appropriations. Our state tax is much too high and I will fight to reduce it to the lowest limit consistent with the proper management of the various departments of the state government.

There are too many boards and commissioners and I shall endeavor

to reduce the number to such as are absolutely necessary.

As a member of farmers' organizations I am familiar with their policies and demands, and I shall do all in my power to aid in securing such legislation as they desire.

There are undoubtedly too many bills introduced at each session of legislature. It is almost impossible for members to give so vast a number proper consideration. I will favor any measure to limit the number of bills introduced. What we need is not more laws, but fewer and better laws.

I have always stood for Oregon's progressive laws, as enacted by the people through the Initiative and Referendum, and I shall always be on the watch for any attempt to curtail the people's power along this line.

W. Grisenthwaite.

W. F. HARRIS

Candidate for Commissioner who Wants Full Value for the Money

I hereby announce myself a candidate for county commissioner subject to the will of the voters, at the primary election to be held May the 15th, 1914.

If nominated and elected, I will endeavor to conduct an honest, open

and above business administration, will do all in my power consistent with my office as a member of the board of commissioners, to reduce taxation, and will give impartial attention to all parts or sections of County; will work to the best interest of the taxpayers of Clackamas County at large. I do not believe the County owes any person a free living without compensation for value received.

Full value for the taxpayers' money is my motto without fear or favor.

W. F. Harris.
