Absolutely Everything Goes, Nothing Reserved

The conditions which brought this upon us came like a CLAP OF THUNDER FROM A CLEAR SKY. Twenty-Four Hours before the pencil was on the paper writing this announcement no one thought or dreamed of such a thing, but it must be!

The Best Way to Do It was the problem with us. Our Big New Stock was so large that it made it impossible for us to list the items of our various departments and price them to you without taking much time, and our time is very limited. So we decided to go through our stock and mark everything down to Rock Bottom. Simply Slaughter the Price **REGARDLES OF FORMER PRICE OR VALUE**. Then as AN EXTRA INDUCEMENT for a Short Time Only issue **COUPONS** which will be accepted as CASH for **TWENTY PER CENT** of your purchase extra besides the already rock bottom closing-out price placed on this stock. Don't Forget--

Sale Starts Satur. 9 A.M. Apr. 25

Such a concession as this on Merchandise right in the very heart of the season seems ridiculous. **BUT WE ARE GOING OUT OF BUSINESS** and that **QUICKLY**. Stock is for sale in part or whole in any quantity, fixtures for sale, building for Sale or Lease. **NOW IS YOUR GOLDEN OPPORTUNITY**
