Jefferson and the Lawyers.
In the "Autobiography of Jefferson" is this passage:
"I served with General Washington in the legislature of Virginia before the Revolution," wrote Jefferson, "and during it with Dr. Franklin in courses. I never heard either of them speak ten minutes at a time, nor to any but the main point which was to decide the question. They laid their shoulders to the great points, knowing that the little ones would follow of themselves. If the present congress errs in too much talking, how can it be otherwise in a body to which the people send 150 lawyers, whose trade it is to question every thing, yield nothing, talk by the hour? That 150 lawyers should do business together ought not to be expected."

Run-down Women Find Health in a Simple Tonic.
How many women do you know who are perfectly well, strong and healthy as a woman should be. They may not be sick enough to lie in bed—but they are run-down, thin, nervous, tired and demoralized.
Women are so active nowadays, and so much is expected of them, that they constantly overdo and suffer from headache, backache, nervousness and kindred ills.
Such women need Vinol, our delicious cod liver and iron tonic with out oil which will create an appetite, tone up the digestive organs, make pure blood and create strength.

Mrs. Walter Pierce, Biloxi, Miss., says: "I was in a run-down condition for months, I had taken several medicines but they seemed to do me no good. Finally Vinol was recommended, and from the first bottle I began to improve until I am strong and well as ever."

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you
