

For the Boy or Girl Graduate

A WATCH MAKES A MOST SUITABLE GIFT. A watch will teach the young recipient to be careful and punctual — careful of the watch and other things and punctual in keeping engagements. Moreover, a good timepiece is something which renders its owner valuable service and is cherished by many with a certain amount of sentiment — like a faithful friend. If you do buy a watch, buy a good one, for an irregular watch is worse than none at all.

Boys Guaranteed Watches, \$5.00 to \$75.00.
Girls guaranteed watches, \$5.00 to \$75.00.

We sell only watches that are tested thoroughly for their accuracy, and receive the guarantee of our expert watchmaker, who has studied the machinery of watches as the school graduate has studied his text books.

Below are listed a few other suitable gifts, priced from 50 cents up.

BOOSTER DAY PARADES ATTRACT MANY TO TOWN

Annual Celebration is Success in Spite of Threatening Skies.

Even though it did rain, Oregon City's combined two-day celebration that was crowded into one day last Saturday was pretty much of a success, and not only did all Oregon City turn out to see the various features, but residents of nearby communities and farming districts came in by the hundreds. General comment was to the effect that combining the former two-day features into one day was a great improvement, and all seem well pleased with the showing made.

The stock show in the Pioneer barn proved to be the chief attraction for most of the visitors, and many animals of quality were in the display pens. The parades, which were doubled up somewhat so as to avoid showers, were far better than last year's and the decorated floats and cars were well applauded as they made their way the length of Main street. Music and drilling by the school children completed the outdoor program.

The rose show held in Masonic hall proved worth the price of admission to most of those who saw it. It certainly demonstrated that Oregon City and Clackamas County can produce superb roses of every kind, and the long list of prizes given was further proof of the excellence of the showing.

Miss Tillie Myers, who ruled as queen of the rose show, also reigned over the street pageants, and her royal carriage was at the head of the afternoon parades. Members of G. Company, Oregon National Guard, acted as her bodyguard.

ROYAL CARRIAGE PLEASURES

Fashion Livery Stable Furnish Rose Queen with Equipage Again.

Draped in roses from pole to rear springs, and riding with ease and sumptuousness befitting a truly regal carriage, the victoria used by the Rose Queen on Booster Day rolled easily out of the Fashion Livery Stables a few minutes before parade time, admired by all who saw it. Not only was the decorative work of the special committee well done and artistically schemed, but the carriage itself was worthy of inspection. The only victoria in Oregon City, and the property of G. A. Bergren, this carriage is always in demand when "queens" or other distinguished visitors are to be driven through the city. Last year the Rose Queen rode in this carriage, and this year the committee decided that nothing but the Fashion Livery Stable victoria would do for the occasion again. And this is why Her Majesty appeared in a royal carriage, and not in an automobile.
