

We Wish You a Very Merry, Merry Christmas

THAT THE PAST YEAR HAS BEEN ONE OF SUCCESS AND happiness and that prosperity has crowned your every effort for the upbuilding of yourself and that of your fellow man is our fondest hope.

We wish to at this time thank our many subscribers and patrons for the hearty support and co-operation extended us the past twelve months. We realize that it is only through the support of the public that we may attain success, and to that end we throw our every effort to give the very best for the upbuilding of all.

While perhaps we have not always been right in our views, we have been sincere in doing that and standing for that which would, in our opinion, be the greatest good to the greatest number, regardless of friend or foe.

Hoping through your renewed support and loyalty we may be able during the the next year to give you a better paper, a greater aid to Clackamas County, and through the columns of *The Courier* bring such happiness and prosperity as may be of lasting benefit to all.

Again wishing you one and all a Merry Christmas, and that your efforts thru the coming year may be crowned with the greatest success, we are yours with much happiness.
