

A Genuine Rupture Cure Sent on Trial to Prove It

Don't Wear a Truss Any Longer

After Thirty Years' Experience I Have Produced an Appliance for Men, Women and Children That Actually Cures Rupture

Are You Ruptured?

If so, the BROOKS APPLIANCE is made for You; You and all other Men, Women and Children who are sufferers from this annoying and dangerous trouble. That truss you have been wearing—one of the many you have tried—chafed and irritated you and was worse than nothing. It had springs and pads and harness and straps and fixings galore and was continually getting out of shape—slipping down or working up and always needing attention. Then, there were salves and washes and ointments to make the case worse and harder to bear. I want to say that you will find none of these annoyances and vexations in the BROOKS APPLIANCE. At least they are reduced to a minimum. This APPLIANCE was made with a view to eliminate, to do away with, just such trouble. I would have been foolish to work half a lifetime, thinking out and perfecting a thing that had no advantage or was not better than scores of other inventions upon the market. In my APPLIANCE you will find the old objectionable features LEFT OUT. You will find it easy to wear. You will scarcely realize you are wearing it. There is no binding, drawing and slipping out of place. It does its work effectively and with comfort to the wearer. I want you to read my book, in which I have taken pains to give full particulars about it. Then, there are a few letters printed in it—selected at random from among hundreds written by men and women who have been cured. You can write these folks and see what they say. If I were you I would see to this matter without waiting. You can put off some things without running much risk, but a rupture is a dangerous proposition to neglect. A rupture is not only bad and serious of itself, but it leads to things infinitely worse. Fill out coupon and mail TODAY. Tomorrow will do, but today is better.

Don't Make the Child Wear a Truss Through Life

I Want to Reach the Parents of Every Ruptured Child in the Country.

The Truss is a Flesh-Torturing Invention Fit Only as a Relic of Barbarity.

I want them to know about the Automatic Air Cushion Rupture Appliance that I make for children who are afflicted in this way.

The Brooks Appliance Cured His Rupture. Now He is as Sound and Whole as if He Had Never Been Ruptured.

My appliance can be put on any child with perfect safety to the little one. For growing children there is nothing better to be had—no matter how much you pay—than my Appliance. I want the parents or others who may have children in their care to understand that there should be no delay in getting proper help for ruptured children.

Every day that the rupture is allowed to go on without the right means of correcting it—just so much harder will it be for the child to get rid of it.

No ruptured child can ever be free from the thought of the rupture and it is not fair to any child not to have an equal chance with other children.

No matter what we may wish to think—ruptured children do not have an equal chance.

Common trusses do not help.

Thousands of men and women know that from their own experience with such trusses.

But it will not be necessary for children to wear harsh, cumbersome, steel trusses any more.

You may have had to wear something like this, but don't make your child do it. Give the child something better.

My Appliance is better and I want to prove it to you.

I will make an appliance to the child's measure, send it on TRIAL—put it into your hands to see and use and then you can say whether it is what I claim or not.

The Automatic Air Cushion conforms with every movement of the child; there is an even, gentle pressure which gradually binds the broken parts together—as you would bind a broken limb—and then no matter how much the child jumps, runs, falls over or falls down—the pressure is kept up just the same—always drawing the parts together.

Others Failed But the Appliance Cured

C. E. Brooks, Marshall, Mich.

Dear Sir:—Your Appliance did all you claim for the little boy and more, for he cured him sound and well. We let him wear it for about a year in all, although it cured him in three months after he had begun to wear it. We had tried several other remedies and got no relief, and I shall certainly recommend it to friends, for we surely owe it to you. Yours respectfully,

WM. PATTERSON, No. 717 E. Main St., Akron, O.

Pennsylvania Man Thankful

Mr. C. E. Brooks, Marshall, Mich.

Dear Sir:—Perhaps it will interest you to know that I have been ruptured six years and have always had trouble with it till I got your Appliance. It is very easy to wear, fits neat and snug, and is not in the way at any time, day or night. In fact, at times I did not know I had it on; it just adapted itself to the shape of the body and seemed to be a part of the body, as it clung to the spot, no matter what position I was in.

It would be a veritable God-send to the unfortunates who suffer from rupture if all could procure it. They would certainly never regret it.

My rupture is now all healed up and nothing ever did it but your Appliance. Whenever the opportunity presents itself I will say a good word for your Appliance, and also the honorable way in which you deal with ruptured people. It is a pleasure to recommend a good thing among your friends or strangers I am.

Yours very sincerely, JAMES A. BRITTON, 80 Spring St., Bethlehem, Pa.

Ten Reasons Why You Should Send for Brooks' Rupture Appliance

1. It is absolutely the only Appliance of the kind on the market today, and in it are embodied the principles that inventors have sought after for years.
2. The Appliance for retaining the rupture cannot be thrown out of position.
3. Being an air cushion of soft rubber it clings closely to the body, yet never blisters or causes irritation.
4. Unlike the ordinary so-called pads, used in other trusses, it is not cumbersome or ungainly.
5. It is small, soft and pliable, and positively cannot be detected through the clothing.
6. The soft, pliable bands holding the Appliance do not give one the unpleasant sensation of wearing a harness.
7. There is nothing about it to get foul, and when it becomes soiled it can be washed without injuring it in the least.
8. There are no metal springs in the Appliance to torture one by cutting and bruising the flesh.
9. All of the material of which the Appliances are made is of the very best that money can buy, making it a durable and safe Appliance to wear.
10. My reputation for honesty and fair dealing is so thoroughly established by an experience of over thirty years of dealing with the public, and my prices are so reasonable, my terms so fair, that there certainly should be no hesitancy in sending free coupon today.

Cured at the Age of 76

Mr. C. E. Brooks, Marshall, Mich.

Dear Sir:—I began using your Appliance for the cure of rupture (I had a pretty bad case) I think in May, 1905. On November 20, 1905, I quit using it. Since that time I have not needed it or used it. I am well of rupture and rank myself among those cured by the Brooks Discovery, which, considering my age, 76 years, I regard as remarkable. Very sincerely yours,

SAM A. HOOVER, High Point, N. C.

Child Cured in Four Months

C. E. Brooks.

Dear Sir:—The baby's rupture is altogether cured, thanks to your Appliance, and we are so thankful to you. If we could only have known of it sooner our little boy would not have had to suffer near as much as he did. He wore your brace a little over four months and has not worn it now for six weeks. Yours very truly,

ANDREW EGGENBERGER, 21 Jansen St., Dubuque, Iowa.

Confederate Veteran Cured

Commerce Ga., R. F. D. No. 11.

Mr. C. E. Brooks. Dear Sir:—I am glad to tell you that I am now sound and well and can plough or do any heavy work. I can say your Appliance has effected a permanent cure. Before getting your Appliance I was in a terrible condition and had given up all hope of ever being any better. If it hadn't been for your Appliance I would never have been cured. I am sixty-eight years old and served three years in Eckle's Artillery, Oglethorpe Co. I hope God will reward you for the good you are doing for suffering humanity. Yours sincerely, H. D. BANKS.
