and Capt. Moshberger and I Company of the militia, will stage a sham battle for the entertainment of the guests. The Fletcher carnival company will have a number of attractions on hand, and there will be games and sports for all. In the evening there will be a grand ball to wind up the fun of the day.

A Mistake Made by Many
Don't wait for rheumatism to indicate diseased kidneys. When you suffer pains and aches by day and sleep disturbing bladder weakness by night, feel tired, nervous and run down, the kidneys and bladder should be restored to healthy, strong and regular action. It is a mistake to postpone treatment. Foley Kidney Pills put the kidneys in sound, healthy condition and keep them active and strong. Begin taking today. Good results follow the first dose.—Jones Drug Co.

Walter Hart, of Oregon City, and Ray Appleby, of Milwaukie, were in Salem during the week, taking the state examination for the practice of dentistry. Both are recent graduates of the Northern Pacific dental college.

Reducing the Cost of Upkeep—

Ball Bearing—Long Wearing

THE INSTALLATION of **L. C. Smith & Bros. Typewriters**

is invariably followed by the discovery that the bills for ribbons are much less than before. A large corporation recently found that its ribbon expense was cut in two. This is not an accident. It is the result of the mechanical construction that makes the L. C. Smith & Bros. cheapest to maintain.

The ball bearings give light touch and eliminate pounding impact. The ribbon is actuated by the carriage, not the typebar. The ribbon mechanism is automatic, so that the ribbon reverses at the instant the end is reached and without added strain.

Low ribbon cost, low cost of maintenance and the highest efficiency—these are guaranteed to L. C. Smith & Bros. users.
